

ACKNOWLEDGEMENT

I am deeply indebted and would therefore like to express my deep sense of gratitude to my research-guide Dr. M.K. Sengupta, M.Sc.,D.Phil., Lecturer in Physical Chemistry, University of Calcutta, for his kind and patient interest, inspiration and helpful guidance throughout the progress of this research work.

I would also like to record my sincere thanks to Dr. B.N.Ghosh, D.Sc.,F.N.I., Ex-Palit Professor and Head of the Department of Chemistry, Calcutta University and Dr. S.C. Som, D.Phil., Reader in the Department of Applied Physics (Optics), Calcutta University, for their kind interest in this work, and for various helpful discussions. I feel also happy to acknowledge my feelings of indebtedness to my parents and elder brother for their constant encouragement and blessings during the completion of this work.

My thanks are also to my colleagues in our laboratory, for their useful co-operation shown to me.

Finally, the award of a research fellowship from the U.G.C. (Govt.of India) during the temure of which this work has been completed, is gratefully acknowledged.
