ACKNOWLEDGEMENT

First of all I wish to express my deep sense of gratitude to my supervisor, Prof. M. Amin for his constant guidance and encouragement. It is because of his magnanimous help and involvement and above all his friendly disposition that this work could be completed. I am thankful to the Deans of the School of Life Sciences, Prof. P. C. Kesavan, Prof. A. Datta, Prof. G. S. Singhal and Prof. P. Mohanty for their help. I am also thankful to Dr. Sudha Mahajan for taking care as incharge supervisor in the absence of Prof. Amin.

I express my indebtedness to my Principal, Jagdam College, Chapra, Sri Sushil Kumar Singh and my departmental colleague with the Head Dr. S. M. Singh and Dr. M. P. Singh for extending their kind help and cooperation.

I am also thankful to Dr. H. Lorkovic, Deptt. of Physiology, University of Ulm, West Germany, for giving me opportunity to learn muscle techniques in his laboratory and also to Mr. Oliver Bernath, laboratory colleague and a very good friend who helped me in all ways at Germany.

I am highly indebted to my senior colleague Dr. Meena Raj and her husband Mr. Alok Raj for their esteemed and painstaking help and encouragement through out. I owe it to my friends Dr. Ravindran and Ashutosh for introducing me to the know how our laboratory and for the academic discussion with them. At the same time I am also thankful to Dr. Hussain and Dr. Sham Kumar for a good company.

I thank all friends who helped immensely in the preparation of the manuscript. They are Luqman, Meena Chandok, Deepthi, Raja, Anuradha and Ramaswamy who took pains to draw some diagrams. Equally helpful were Maruti, Baleshwar, Ajay and Ramlal.

I thank especially Prof. Subba Rao and my friends Vikas, N. M. Deo, Krishna Mohan from SES for the computer work.

I thank Mr. Saini for the diagrams and photographs and the office staff of School of Life Sciences for their help.
I thank Miss Manju and Amit for typing the thesis material so nicely and meticulously and Miss Promila for her help. I acknowledge my friends: Rafique, Santosh, Prabhujee, Dr. S.K. Sinha, Raj Kumar, Ashok Jha, Dr. N.K. Saha, Dr. Balram Singh and senior colleague Dr. T.N. Mishra and Dr. R.D. Sangahi for their constant encouragement and counselling.

There is more than gratitude for my parents and Dadajee, Sri Janardan Pd. Singh and all family members and love for my brothers, Dilip, Vinod and Pappu who all stood by me through thick and thin.

I owe to my wife Rita for her patience and understanding to suffer my absence.

Lastly, I acknowledge University Grants Commission for providing me Teacher Fellowship and University of Bihar for granting study leave to take up this work.

Dated: 28-9-87

(ASHOK KUMAR SINGH)
