

### List of Tables

1.1	Gross profits as percentage of total net assets in some selected industries of India	13
2.1	World exports of jute goods	16
2.2	Consumption and imports of jute manufactures by country	20
2.3	Home supplies and apparent consumption of jute manufactures in Near East	20
2.4	World imports of products of jute, kenaf and allied fibres	*
2.5	Indices of actual and potential consumption of jute in the packaging uses in the U.S.A.	23
2.6	Estimated consumption of jute and synthetic cloth for bags and sacks in the United States	24
2.7	Estimated average price of jute and competing synthetic products and their price indices	27
2.8	Consumption and proportionate shares of backing materials in the U.S.A.	29

## Tables

2.9	Estimated average prices and competing synthetic products	30
2.10	Installed capacity and production of jute products in Latin America and Africa	34
2.11	Capacity and output of jute products in the Near East	34
2.12	Growth of bulk-handling facilities for grains in some Latin American countries	37
3.1	Share of world trade in jute products	41
3.2	Price ratios of Indian and Pakistan jute goods and India's relative export share of jute goods	43
3.3	Relative export prices and India's relative export shares of jute goods	44
3.4	Relative export price and relative export share of India in the case of carpet backing cloth in the U.S. market	45
3.5	Internal consumption and production in Pakistan	48

## Tables

3.6	Growth of the Pakistan and Bangladesh jute mills	49
3.7	Export of jute goods from Pakistan	50
3.8	Production of jute goods in Pakistan	51
3.9	Export of jute goods from India to various countries	**
3.10	Cost of production of jute goods in Pakistan and India	54
3.11	Bonus rate on jute goods' exports in Pakistan during 1960-'70	55
3.12	Premium on bonus vouchers in Pakistan on Pakistan's jute manufactures	56
3.13	Internal consumption and production in Bangladesh	58
3.14	Export of jute goods from Bangladesh to various countries	***
3.15	Comparative costs of products of jute goods in India and Bangladesh	60
3.16	Rates of export duty on jute goods in India	63
3.17	Rates of cash assistance on Indian jute goods	63

## Tables

3.18	Internal consumption of sacking and hessian in India	68
3.19	Sales price of Indian jute goods (sacking) in domestic and world markets	69
4.1	Government's purchase of jute goods	77
4.2	Frequency of lock-outs of jute mills in West Bengal	79
4.3	Estimated values of mark-up ratio	81
4.4	Timing of lock-out in jute mills of West Bengal	85
4.5	Price spread of raw jute between its harvest price and its price reported in Calcutta	87
4.6	Price of raw jute (grade W <sub>5</sub> ) at Calcutta	88
4.7	Percentage of workers covered under piece-rate system in jute mills of West Bengal	90
4.8	Strikes and lock-outs in jute mills in West Bengal	91

## Tables

- |     |   |     |
|-----|---|-----|
| 4.9 | Wage costs as percent of total cost<br>of production of jute goods(ex-<br>factory) (1988-'90) in jute mills in<br>west Bengal | 93  |
| 6.1 | Government policy relating to <u>raw</u><br><u>jute</u>   | 126 |
| 6.2 | Central Government policy measures<br>with respect to <u>jute manufacturing</u>   | 128 |
