

## Acknowledgments

*This is the time to express my gratitude to all those who continuously supported me to fulfill my dreams. First of all, I would like to express my heartfelt and sincere gratitude to my research supervisor Dr. Raju Mondal, Assistant Professor, Department of Inorganic Chemistry, Indian Association for the Cultivation of Science (IACS), for giving me a place in his research group whose assistance, motivation, inspiration, encouragement and persistent guidance during every stage my Ph.D research work has enabled me to develop and understanding the subject.*

*I wish to convey my sincere thanks to faculty members and staffs of Department of Inorganic Chemistry and National Single Crystal X-Ray Diffraction Facility, IACS, Jadavpur for providing the infrastructural and instrumental facilities.*

*I am also thankful to Inorganic chemistry departmental staff Partha da (for XRD), Tamal Da, Sujit da, Pabitra da, Goutam da for their assistance throughout my research work.*

*I am also thankful the operators of the CSS instruments like NMR, FESEM, PXRD, AFM, HR-TEM, HR-Mass of IACS for running my samples in the instrument in time. I am also thankful to our non-academic administrative staff Saswati di, Avijit da, Bibhas da, Sumitadi, Chandana di, Sarbani di, Arun da for their co-operation in solving any kind of administrative problems. I would like to thank Mithu da's canteen staffs, Kashida, Surojit and Kalu da for providing foods at the hunger time. I also want to express my thanks to the staffs of govt. Canteen Chandan da, Sanjoyda, Shambhu da and many more for proving us food at the right time. I especially thank to Chandan da and Shambhu da for making good egg poch and egg toast every evening during my research work.*

*I am also grateful to Dr Sumit Khanra (IISER Kolkata), Mr Bhaskar Pramanik, Mr Amit Adhikary (IISER Bhopal), Dr Sanjit Konar(IISER Bhopal), Mrs.Mousumi Sen Biswash (NCL Pune), Dr Pankaj Poddar (NCL Pune), Mr Indranil Mondal (CMERI Durgapur), Dr Ujjwal Pal (CMERI Durgapur), Prof. Katharina M. Fromm(University of Fribourg) and Yvens Chermond (University of Fribourg) for their assistance in my research work.*

*I wish to convey my sincere thanks to the teachers and friends of Biswarambha Vidyapith (Madhyamik School) and Vidyanagar Gayaramdas Vidyamandir (Higher secondary School).*

*I sincerely acknowledge all my teachers of Kalna College and private tutors at B.Sc level for their assistance. I am also thankful to Dibyendu, Ratul, Gouranga, Nazmul, Samsul, Dipak, Dipanjan, Baishaki, Sujoy, Basu, Rohan and other college and hostel friends for their support.*

*I am also thankful to all my M.Sc batch mates Biplab Dutta, Bijan, Mainak, Indranil, P.K.D, Pradipta, Paddu, Subrata, Somenath, Dipanjan, Biplab Sarkar, Samik, Saona, Ananya, Bhaskar, Sudhkar, Madhbi, Subarna, Sourav, Sirshendu, Sudipto, Soham, Pradip, Dipankar, Ramesh, Ramapada, Ashta, Sumit, Subha, Subhadip at IIT Kanpur.*

*I am also thankful to the Council of Scientific & Industrial Research (CSIR), Government of India, New Delhi, for providing financial assistance in the form of Junior Research Fellowship(JRF) and Senior Research Fellowship(SRF) which buttressed me to perform my work comfortably.*

*I have high regards for my lab seniors Tannistha di, Satirtha da, Arijit da and my juniors Sudeshna, Manasi, Sohel, Krishna, Avik, Protayay and Pabitra for their unconditional help, heartfelt love and support in my research work. All of them made this lab such a wonderful place. I especially thank to Satirtha da, Arijit Da and Sudeshna for their constant support and help in my work and other matters. I am also thankful to Sudeshna for shut down N<sub>2</sub> flow after XRD data collection at mid night as well as early morning. Thanks to all.*

*I am also thankful to all those who have helped me but I forget to mention their name.*

*Finally, I wish to thank to my Baba, Maa, borthers and sisters for their unconditional love, endless support, encouragement and help without their support I never would have been able to achieve my goals.*

*.....Sukhen Bala*
