ACKNOWLEDGEMENT

I wish to express my sincere gratitude for the pleasure and privilege of my association with Prof. Kanan Chatterjee, Emeritus Fellow, Department of Geography, University of Calcutta, under whose supervision and guidance this research work was completed.

I am extremely thankful to District Magistrate, Paschim Medinipur; Director of Survey General, Government of India; Director of Census, Government of India; B.L.R.O. officer of Sonakhali of Ghatal sub division; B.L.R.O officer of Balichak of Kharagpur sub division; Micro, Small and Medium enterprises development; Inspector of factories, Government of West Bengal; Executive Engineer of Pradhan Mantri Sadak Yojana Commission, Paschim Medinipur district; Supervisor of Land and Land Revenue department, Government of West Bengal for their active co-operation and help providing information of the study area.

Appreciation is extended to Public Relations Officer, Bidyut Bhaban (Saltlake); Superindent of Engineer, Government of West Bengal; Directorate of Agriculture, Government of West Bengal; Directorate of Animal Resources and Animal Health, Government of West Bengal; District Inspector School (Primary and secondary) Paschim Medinipur District; Librarian of Bureau of Applied Economics and Statistics, Government of West Bengal; for providing me with relevant data, maps and study materials. Thanks are also due to the residents of the study area for their active co-operation and help in this research work.

My friends and members of my family encouraged me in pursuing this study, and I sincerely thank them all.

Amitava Maiti.
