Acknowledgement

This is an opportunity for me to express my gratitude to all who have helped me in my thesis work regarding A Critical Analysis Of Millennium Development Goals With Respect To Women’s Right To Health -A Study in Kolkata. I have received help from a number of individuals to complete this work and writing the thesis.

First and foremost I thank God almighty for providing me strength and support in every situation of my life

I acknowledge the guidance and assistance of my revered professor and guide, Prof. Ishita Mukhopadhyay, Director, Women’s Studies Research Centre who have always guided me, encouraged me and supported me throughout my study, have always given inputs and valuable time and have provided her valuable comments and suggestions. She has helped me in every possible ways to complete my thesis.

I am grateful to Dr. Kankana Sengupta, Research Officer, Women’s Studies Research Centre for her valuable suggestions and encouragement throughout the entire study and helped me in all possible ways to complete my thesis

I am grateful to all the Doctors, administrative staffs, nurses and patients of national medical College, Kolkata for lending their helping hands towards me. I am also grateful to the informants and their families who provided the valuable data which I needed for the completion of my thesis.

I am thankful to all staffs of Women’s Studies Research Centre, University of Calcutta (administrative and library) and all my colleagues and friends for their kind support

I must thank my parents, my husband, my son, my elder sister, sister-in-law, my nephew and niece, my father-in-law and all my dear friends who always supported me and acted as pillars of strength

I sincerely thank everybody who has helped me in completion of my PhD thesis
