ACKNOWLEDGEMENTS

The author would like to express his sincere thanks and gratitude to Dr. J. Behari for his initiation, supervision and guidance throughout the period of research.

The author would also like to record his indebtedness to Prof. B. Bhatia (Ex-Dean) and Prof. J.M. Dave (Dean) for their constant help at all stages of the work; to Mr. Jagdish Chander (Ex-Administrative Officer) and to Mr. Shiv Dyal (A.O.) for their help at the administrative level.

The author also owes gratitude to Mr. K.K. Bali (Assistant Registrar, Academic) and Mr. C.A. Thakur of the same department.

To Messers D.V. Rai, Surrendra Singh and Muzzafar A. Khan, he wishes to express his thanks for the valuable discussions and suggestions during the work.

But for the availability of the services of Mr. Balam Ram and technicians of the workshop, this work would not probably have been successfully completed.

Miss Ira Datta deserves special compliments from the author for her kind cooperation.

The author finds it hard to express adequately his indebtedness and gratitude to Prof. M. Yusuf (Rtd. Principal) and Prof. A.M. Bhat (Dept. of Physics) of S.P. College, Srinagar, Kashmir, for their
support and looking after his interests during his lien from
the college.

Acknowledgements are also extended to Govt. of Jammu &
Kashmir and University Grants Commission for their financial
support.

Appreciations are also due to Mr. Ram Prasad (typist)
Mr. R.N. Saini (Artist-cum-photographer); library staff
particularly Mr. K.U.M. Rao, and librarians of National
Physical Laboratory, New Delhi; National Medical Library;
New Delhi; Indian Institute of Technology, New Delhi and
All India Institute of Medical Sciences, New Delhi.

Compliments are also due to all my colleagues of
university in general and school in particular.

The author prays for peace of the soul of his
grand-mother who passed away with her last desire, of
meeting him, unfulfilled.

Finally he would like to record his sincere thanks to
his parents, brothers (Altaf & Gulzar), sister (Tanveer) for
the encouragement he received at all times.
