ACKNOWLEDGEMENTS

Giving acknowledgements in mere words is never enough to thank the people who played significant role to shape up the ways for you and to become what you want....... 

I express my heartfelt gratitude to Sir....Professor Rajendra Prasad who was an able mentor, a dedicated scientist and a caring friend. Whatever I have learnt in this lab 101 is all his contribution. I shall ever be grateful to him for all the things he did for me and sometimes even going out of the way to gain the maximum in this span of five years. It has been great to be a part of his dream team of 101. His never ending energetic attitude made me work all the more without getting tired even for a moment. Thanks a lot Sir for everything......

My special thanks to the present Dean, Prof. Alok Bhattacharyya for providing excellent facilities in the School. I also appreciate the help rendered by Dr. P. C. Rath and Dr. Gaurango Mukhopadhyay.

I would like to acknowledge Mr. B.A. Khan, Mr. A.C. Alexander, Mr. S.P. Sharma, Mr. S. K. Mishra, Rajendra, Aslam, and Balwant of the Central Instrument Facility for extending their help in day to day work. Meenu mam of SLS office deserves special mention for her friendly and caring attitude.

I don’t have words to express thanks to my friends who have helped me in finishing this work. I am fortunate enough to have friends like Tuddu and Naseem who were always there for me during all the ups and downs of my Ph.D career and unforgettable ever optimistic Vineetha, lively Arun, understanding Parijat and naughty Dr. Nivedita. I would also like to give my sincere thanks to Ravinder for teaching me the basics of molecular biology techniques. I also want to thank my seniors Kasturi, Sanjeev, Smriti, Sneh, Avmeet, Necti, Minni and Neerja who helped to learn and begin my work in the lab. I would always remember the time spent with my colleagues Ali, Suneet and Sudhakar and my juniors Sudhanshu (Narangi, cocacola, hariyali, pilu.....), always there Versha, Dibyendu (Party man), Raman (Kanta behan), Antresh, Ritu, Khyati and Manisha.

I shall remember all the help extended by Pratima, Shankar, Tiklal and Gagan and their untiring efforts to make things easy. Infact I cannot forget Tiklal who even goes out of the way sometimes to help the students. I am also obliged to Sharmaji, Nandkumar and Sukhendu.
How can I forget my tiny-miny cute roommate Yanky who was a source of non-stop entertainment not only for me but also for those who used to stay in my room. Just a small chat with her used to make me feel relaxed.

I am also thankful to unending list of people belonging to SLS family, Suvrojit, Gopal, Divya, Ruchi, Sanjay, Manveen, Neel (Bannana chips), Sonal......... I need to mention my lunch friend Alka and my dinner friend Parul.........

Words are not enough to say thanks to my Mamma (my source of inspiration), Papa (who taught me all the principles and values of life) and my Uncle who is more like a friend than uncle. I would have never been able to achieve anything without their support and encouragement.

Financial assistance from CSIR in the form of JRF and SRF is gratefully acknowledged.

I apologize to those whom I might have inadvertently forgotten to mention and acknowledge by name. My gratitude to all those samaritans (like kaddu and Dodo) who have extended their selfless hands time to time........
Last but not the least thanks to all of you who have stood by me and helped me be what I am........
