ACKNOWLEDGEMENTS

This thesis could not have seen its final form without the assistance of a large number of well-wishers and friends who helped me at different stages of my work. I take this opportunity to thank them and mention my debt to them.

Dr Harbans Mukhia, who guided my work, was much more than an official supervisor. He always remained a friend in need, a constant source of encouragement and an unfailing source of helpful suggestions. Looking back, I feel I was fortunate to have worked under his supervision.

My debt to Dr Dilbagh Singh, my teacher, is immense. His advice, encouragement and help I shall never be able to forget.

Also, I cannot forget the kindness of other teachers who had always come forward to help me. I would specially like to mention Dr Iqtidar Alam Khan and Dr A. Jan Qaisar (Aligarh Muslim University) and Dr Muzaffar Alam in this context. More than anything else, however, it was the constant help and guidance of my teachers that made my stay in Jawaharlal Nehru University meaningful.

Dr Susil Chaudhuri (Calcutta University) was in Delhi for a short visit. Inspite of his busy schedule, he went through the draft of my thesis and offered valuable suggestions for improvement. How can I forget such kindness? I am also indebted to Dr S.P. Singh (L.N. Mithila University) for his constant
encouragement. Mr Yogesh Sharma offered valuable suggestions and Dr Kirti Trivedi also helped me from time to time for which I am very grateful to them.

My discussions with my friend Arvind Jha at various stages of my work led to conceptual clarifications. Ajay Sinha and O.D. Tyagi prepared the maps, Gabar Singh very efficiently typed out the draft and Binay Kant Mishra helped me in making corrections. Sanjay Akheury, Pranab, Ravi Shankar, Subir, Manu and other friends helped me in numerous ways. I am thankful to all of them.

The Indian Council of Historical Research provided financial assistance for this research work. I take this opportunity to thank them.

I also thank the staff of the National Archives of India, Archaeological Survey of India Library, Central Secretariat Library and the Jawaharlal Nehru University Library.

And it would really be unfair on my part not to remember Sushma at this moment without whose constant encouragement and consistent cooperation, this work, I sincerely feel, would not have seen its present form.
