Acknowledgements

This research work incorporates values, emotional energy, insights, and hard work of many. First and foremost, I would like to express my appreciation to Dr. Anjali Ghosh, my research supervisor, for her untiring advice, encouragement, valuable guidance and active help to complete my research work. She has always been supportive and generous to me.

I am grateful to Professor Sankar K. Pal, Director of Indian Statistical Institute and Professor Aditya Bagchi, Dean of Studies of Indian Statistical Institute, for giving me opportunity to work in this institute and providing facilities for research.

Special thanks to Professor Anup Dewanji, Professor of Applied Statistics Unit (ASU), for his constant help and worthy suggestions throughout my research work. I also thank Dr. Anjana Dewanji for her help in my research work.

Sincere gratitude is expressed to Professor Nityananda Sarkar of Economic Research Unit of Indian Statistical Institute and the Research Fellow Advisory Committee for their constructive criticism and suggestions. I would like to express my gratitude to Professor Arun K. Chatterjee, Professor Snehanshu K. Dasgupta, Professor Jayanti Basu and Professor Anjali Ray of University of Calcutta for their valuable suggestions, comments and academic advice in my research work. I am grateful to all of them.

I am grateful to Professor B.K. Sinha, Professor of Bayesian and Interdisciplinary Research Unit for his worthy suggestions and guidance which helped me to learn different statistical methods.

I extend my sincere regards to Dr. Debdulal Dutta Roy and Dr. Rumki Gupta of Psychology Research Unit for their constructive criticism and worthy suggestions.

I also acknowledge the help and cooperation of the school authorities for helping me to collect data from students and their mothers. The students and their mothers who have heartily cooperated me in giving their valuable response deserve special thanks from my end.

I would like to convey my thanks to all of my friends and other members of Psychology Research Unit for their cooperation during my research work.
A billion of thanks to my Husband for his constant inspiration to accomplish this thesis. Without his encouragement, enthusiasm and unassailable support over the years this work would never have been realized.

I am deeply grateful to my parents for all the pains endured by them in bringing me up to this stage. Without their support and perseverance, this thesis could not have been possible. I dedicate this work to my parents.
