FOREWORD

I express my heartfelt gratitude to my revered mentors, Professor. Krishanu Chakrabarti, Ph.D., Reader, Head, Department of Biochemistry, University of Calcutta for his constant guidance and invaluable suggestion throughout the supervision of this work.

I would like to extend my respect to my revered teacher, Dr. Satya Kinkar Pal, Ph.D., Reader, Head, Department of Plant Physiology, Institute of Agricultural Science, University of Calcutta for his guidance, encouragement during the course of the work.

I am also indebted to Dr. Arunavo Goswami of The Indian Statistical Institute, Calcutta, Dr. Debasish Bhattacharya of the Indian Institute of Chemical Biology, Jadavpur and Dr. Mohit Sinha, Central Jute and Allied Fibre Research Institute, Barrackpur for providing me with the facilities in their lab.

I would also like to thank Prof. D.J. Chattopadhyay, Dean of Science, Calcutta University Dr. Anjan Dasgupta, Reader Department of Biochemistry, Calcutta University and Prof. A.K Bhattacharya for their help and support.

I gratefully acknowledge the cooperation I have received in various ways from my laboratory colleagues, Dr. Sanjay Roychaudhuri, Dr. Sambhunath Bandyopadhyay, Snehasish, Bipasha and Ratna.

My thanks are also due to the research scholars Soumen, Shantanu, Amitavo, Swarajit, Abhra, Subhajit, Shilpi, Alex, Koushiki, Sulagna, Barnali Di, Tuhin and faculty
members of the Department of Biochemistry and Plant Physiology (Agriculture),
University of Calcutta for providing excellent support.

I am deeply indebted to my parents and my brothers for their help, encouragement
and mental support without which my dissertation would have been a dream.

I would like to thank my colleagues Lenin Mahimainathan and Balachandar
Venkatesan, Post Doctoral Fellow in The Department of Medicine, University of
Texas for constant support and encouragement.

Finally, the financial help received from Indian Council of Forestry Research and
Education, India and Indian Council of Agricultural Science, India is also gratefully
acknowledged.
