ACKNOWLEDGEMENT

I thank most sincerely Dr. K. Pius, Lecturer, School of Chemical Sciences, Mahatma Gandhi University who, as my teacher and guide, gave constant encouragement and whole-hearted co-operation at all stages of my research work. It was in fact a great experience to work in his research group.

I am grateful to Prof. V. N. Rajasekharan Pillai, the Vice Chancellor of the university, and Dr. M. Padmanabhan, the Reader-in-charge of School of Chemical Sciences for providing the necessary facilities. I am also thankful to Dr. K. S. Devaky and all other faculty members of this department for all kinds of help they have extended to me.

I wish to express my profound respect to Prof. J. Chandrasekhar, Dept. of Organic Chemistry, Indian Institute of Science, Bangalore for his valuable help and encouragement. I am also thankful to the authorities of I. I. Sc. for accepting me as a short-term research worker and permitting me to use the lab facilities.

I am grateful to Dr. T. Pradeep, Indian Institute of Technology, Chennai for allowing me to use the computational facilities over there and giving me moral support and encouragement.

I thank all the non-teaching staff members of the School of Chemical Sciences, especially M/s. Vijayakumar, Philip, James, Ajayakumar and Manikandan. I am also grateful to the staff members of the university computer centre and the library.

I record my sincere gratitude to my senior colleague Dr. K. A. Prince Xavier for his constant encouragement and help throughout my research work. I am also grateful to Dr. C. Arunan and Prof. T. U. Mathai for their help and support. I acknowledge with thanks all the encouragement and inspiration received from my dear friends especially M/s. George, Roice, Sasi, Prakash, Aji, Mikki, Sreedhar, Jacob, Madhu, Biju, Kalaprasad, Reichel, Joma and Jin of M. G. University, and M/s. Jagadeesh, Manoranjan and Sunej of I.I.Sc. Bangalore, and Venkat, Selvan and Sandhya of I.I.T. Chennai.

The financial assistance from U.G.C., New Delhi in the form of a junior research fellowship is gratefully acknowledged.

T. K. Manoj Kumar
