ACKNOWLEDGEMENT

At first, I would like to tender my sincere gratitude and regards to my reverend teacher and supervisor Prof. (Mrs.) Pratima Chatterjee of the Department of Physiology, University of Calcutta for her mood guidance and encouragement. Her inspiration and never ending resourcefulness enriched the gravity of this work. Her caring recognition unveiled the errors and faults and recovered the spots. Vast experience and foresight guided the entire direction of the study. I am indebted to her for enriching myself as an improved researcher in the field of sports and exercise physiology.

I am grateful to Dr. A. Gomes, Head, Department of Physiology, University of Calcutta for his encouragement and support.

Prof. S. Chatterjee, Department of Physiology, University of Calcutta was an "August Personality" in the field of "Sports & Exercise Physiology". His pioneering research life acted as a "Booster" in the whole work. Whenever I faced "dark problem in the laboratory", soothing light from his desk solved that immediately. I do not know how to acknowledge such invaluable advice.

I express my gratitude to Dr. A.M. Chandra, Department of Physiology, Calcutta University for his help and support.

I gratefully acknowledge the sincerest cooperation extended to me by Prof. A.K. Chatterjee, Dr.(Mrs.) M. Bal, and Prof.(Mrs.) D. Guha, Department of Physiology, University of Calcutta.

Dr. Debatis Roy of Indian Statistical Institute, Kolkata, has been exceedingly generous to me and has always provided all facilities of statistical analysis in connection to my research works. I shall ever remain grateful to him.

I am also grateful to Dr.(Mrs.) A. Sen, Head, USIC, Calcutta University, for her kind co-operation in providing instrumentation facilities.

I am grateful to Dr. Sanjit Dey, Lecturer, Hooghly Mohsin College, and Dr. Biswanath Majumdar, Harvard University, U.S.A. for their invaluable co-operations.

I do hereby offer my sincere acknowledgement to Ms. Madhabi Bagri, Mr. Partha Mukherjee, Mr. Amit Bandopadhyay, and all other fellow researchers of the laboratory.

I am specially indebted to the Librarians of the Department of Physiology, and to Mr. Joydeb Chatterjee, of Bose Institute, Kolkata for ensuring smooth progress of the research work.
I would like to offer my warmest and most sincere thanks to Mr. Samar Mitra of Indian Railway, and Mr. Badal Basu of Ananda Publishers, incidentally both of them being my uncle, who remained fully supportive in providing female athletes; as responsible guardians and made my research career absolutely tension free.

In loving and grateful appreciation, I record my lifetime acknowledgement to my parents, Mr. Sailen Bagchi and Mrs. Rita Bagchi; Mrs. Namita Ghosh, my mother-in-law for sharing every emotion in all turning points.

I would hereby offer my warmest love to all members of my family for rendering wholehearted support to me.

Finally, it will be an act of sheer ingratitude on my part, if I do not put in record my debt and gratitude to Dr. Subrata Ghosh, Asst. Professor, Presidency College, Kolkata, incidentally my husband, for shadowing me at every knook and corner of this work travel.
