

ACKNOWLEDGEMENT

My prime duty is to tender my heartiest gratefulness and regard to a dedicated monk - "Sri Sri 108 Swami Dhanjay Das Kathia Baba,ji Maharaj" whose constant encouragement and heavenly blessings has showered me helpful supervision, lots of valuable assistance and suggestions, from various quarters.

I pay respectful homage to my parents as well as to my maternal uncle for their forbearance and constant watch. It will be my sheer in-gratitude, if I cannot but refer the name of my supervisor, Mr. H. K. Bandyopadhyay reader in Geography, Calcutta University, who took the pain to spend his valuable time for profitable discussions, constant co-operation, helpful criticisms and field guidance.

In fact, it is impossible to name each individual specifically and adequately but I cannot resist myself from mentioning certain personalities, whose work, sympathy, co-operation from all possible corners are of inestimable value :-

(1) Officers belonging to the Government of India -

Mr. S. Dugar, Director, Soil Survey and Landuse planning Department; Dr. Ajoy Kar, Chief Soil Chemist, Fertiliser Corporation of India; Mr. T. E. Kurien, Director of Map Division, Geological Survey of India; Dr. A. K. Sarkar, Senior Geologist, Map Division of G.S.I. Mr. S. Ball, Chief Superintendent, Air Photo Division of G.S.I.
