	<u>P A G E</u>
Acknowledgement	II
Preface	IV
INTRODUCTION	1 -10
<u>PART ONE: ANALYSIS OF THE PHYSICAL ENVIRONMENT</u>	
<u>CHAPTER:</u>	
I. General Characteristics Of The Study Area.	11 -19
II. Geological Framework Of The Taraphini River Basin	20-36
III. Climatic Characteristics Of The Taraphini River Basin.	37-50
IV. Relief And Drainage Characteristics Of The Taraphini River Basin.	51-74
V. Soil Characteristics Of The Taraphini River Basin	75-96
VI. Vegetation Characteristics Of The Taraphini River Basin.	97-104
<u>PART TWO: RESOURCE POTENTIALITIES</u>	
VII. Water Resource Potentiality Of The Taraphini River Basin.	105-132
VIII. The Potentiality Of Forest Resource In The Taraphini River Basin.	133-144
IX . Potentiality Of The Mineral Resource In The Taraphini River Basin.	145-164
<u>PART THREE: CONCLUSION:</u>	
X. Conclusion: A Prelude For Development Planning	165-179
<u>Appendix</u>	180- 227.
