ACKNOWLEDGEMENT

I take the opportunity to record my respectful thanks to Professor D. P. Chakraborty, Ph.D., D.Sc., of the Comparative Phytochemical Laboratory, Department of Chemistry, Bose Institute, Calcutta, for his unstinted help and guidance. Respectful thanks are also due to Professor B. B. Biswas, Ph.D., F.N.A., Director, Bose Institute, Professor J. Dutta, M.Sc., Chairman, Department of Chemistry, Bose Institute for their interest in the research work.

The co-operation rendered by Dr. (Miss) Shyamali Roy M.Sc., Ph. D., a senior Research Associate in our Laboratory is gratefully acknowledged.

I also wish to extend thanks to all my friends and colleagues in the laboratory for their help when needed.

Sabitri Ghosh Dastidar
