ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to my Guide Dr. Samuel Paul Raj, Head of the Department of Natural Resources and Waste Recycling, School of Energy, Madurai Kamaraj University, for his scholarly guidance, whole-hearted support and constant encouragement at every stage of this study.

I am grateful to Prof. G. Kirthikeyan, the Convenor of the Doctoral Committee and Dr. Anandhavalli Mahadevan, the Co-guide, for their encouragement and help in the course of this study.

I am thankful to Dr. Devendrakumar, the former Vice-Chancellor of Gandhigram Rural Institute for the opportunity given for part time research and to Sri. D.K. Oza, the present Vice-Chancellor for the encouragement and administrative support.

I am very much indebted to Dr. S. Ramamurthy, Dean of the Faculty of Rural Oriented Sciences, Gandhigram Rural Institute, for his encouragement and support.

I thank my colleagues Mrs. R. Kumuthakalavalli and Dr. A. David Ravindran for all their help and cooperation. I am grateful to Sri. S. Ravanappa for all the technical support in the laboratory work, Miss. K. Latha
the technical help in the laboratory work, Miss K. Latha for typing assistance, Sri. Munusamy for fabrication of glasswares and Sri. M. Perumal and Sri. A. Natarajan for the maintenance of the fish tanks.

I am thankful to my friends and colleagues Dr. A. Suryakanthi, Dr. Appa Rao, Dr. Ponraj, Mrs. Ponraj, Dr. N. S. Nagarajan, Dr. Sundaravadivelu, Miss. R. Pappathi, Mr. M. R. Rajan and Mrs. Anuradha Subramanian for their valuable suggestions and assistance.

I specially thank Dr. V. Prakash, Scientist, Central Food Technology and Research Institute, Mysore and Dr. N. Jeeji Bai Scientist, MCRC, Madras, for their valuable discussions on this work.

I also thank the Director, CFTRI, Mysore, The Dean, Fisheries College, TNVASU, Tuticorin and the Chief Librarians of Madurai Kamaraj University and Tamil Nadu Agriculture University for the permission to use their library facilities.

I specially thank the Late Sri. K. S. P. Selvam Manoharan of Pandian Fish Seed Farm, Dindigul for supplying all fish needed for the study. I also thank Sri. Selvam for the photographic service.
My sincere thanks to Dr. K. Somasundaram for computer assistance, to Sri. I. Gaspar Raj, and Sri. Savadamuthu for help in statistical analysis and to Dr. M. A. Jeyaraju going through the manuscript.

I am greatly indebted to Dr. M. Daniel, my husband who supported me in every way during the course of this study. I thank my parents for their blessings and my siblings and my friends for their goodwill. I thank my children Selwyn and Sharon for all the sacrifices they made.

I thank Mrs. and Mr. B. Kumaravel for computerising the thesis and Messers Pushpa Xerox for Laser Printing and reprographic design.
