VII ACKNOWLEDGEMENT

I express my grateful indebtedness to Dr. B. Ghosh Roy, Ph.D. (Edin.) for his kind supervision of the work presented in my thesis.

I am particularly indebted to Dr. J.T. Grayston and Dr. R.L. Woolridge for their valuable guidance, and for materials (antigen and antisera) supplied.

My thanks are due to Dr. Satnam Singh, the Ophthalmologist who helped by providing clinical diagnosis and also by collecting sera from South India.

I am grateful to the authorities of the following organisations:

1) All India Institute of Medical Sciences, New Delhi.
2) U.S. Naval Medical Research Unit No.2, Taipei.
3) Trachoma Research Centre, Aligarh.
4) Indian Council of Medical Research, New Delhi.
5) Pasteur Institute, Coonoor.
