

LIST OF TABLES

		<u>Page</u>
1.1.	Statewise Rural-Urban Literacy Rates +	11 A
2.1.	Demographic Statistics of North 24-Parganas	24
2.2.	Other Statistics of North 24-Parganas	25
2.3.	Showing the Subdivisionwise Break-up of Learners According to the Status and Sex in the North 24-Parganas District	26
2.4.	Major Subjects, Component Areas and Minimum Abilities Expected from the Learners (National Literacy Mission Syllabus, as Scrutinised)	28
3.1.	Particulars of Sample Distribution	32
3.2.	Salient Features of the Tool for Evaluation According to the NLM Norms	35
3.3.	Scoring Rationale of the Test Items, Subjectwise	39
4.1.1.	Showing the Distribution Potential Learners (in Lakhs) of the North 24-Parganas District According to the Age Group and Mother Tongue, as on September, 1991	42
4.1.2.	Showing the Actual Turn Up of Potential Bengali Learners in the Literacy Centres from July, 1992 to August, 1993	42
4.1.3.	An Overview of Facilities in the Learning Centres of the North 24-Parganas District	43
4.2.1.	Mean Values, Standard Deviations, Standard Error of Means of Measures in Reading, Writing and Numeracy and the Proportion of Learners Obtained the National Literacy Mission (NLM) Norm of 70% and Above	46
4.2.2.	Inter-correlations Between the Scores Obtained from the Four Sets of Parallel Forms of Tests Used	47
4.2.3.	Inter-correlations Between the Scores Obtained by the Learners in Reading, Writing and Numeracy	47
4.2.4.	Estimated Mean (M), Standard Deviation (SD), Standard Error of Mean (SEM), Proportion of Learners Obtained NLM Norms (QM), F-ratio and Est ω^2 Values in Reading, Writing, Numeracy (Sub-divisionwise)	48
4.3.1.	Evaluation of Social and Psychological Fitness by Extra-curricular Activities of the Neo-literates (Estimated Proportion of Successful)	50
4.3.2.	Correlations Between Extra-curricular Variables (Cognitive Processing) and Achievements of Neo-literates	51

LIST OF TABLES
(Contd.)

	<u>Page</u>
4.4.1. Estimated Proportion of Learners (N) and Their Mean Scores for Reading, Writing, Numeracy and Composite Total Scores and Proportion of Learners Obtained the NLM Norms in the District and the Different Sub-divisions, Showing the Ecological Influence	53
4.4.2. Summary Table for Analysis of Variance (F-ratio) and Estimated ω^2 with Composite Scores of Reading, Writing and Numeracy — Two Way, Ecology Influence and Sub-divisions	54
4.4.3. Estimated Proportion of Learners (N) with Mean Scores for Reading (RD), Writing (WR), Numeracy (NM) and Composite Total Score (TO) and Proportion of Learners Obtained NLM Norms (P) in the District and the Sub-divisions Showing the Gender Influence	55
4.4.4. Summary Table for Analysis of Variance (F-ratio) and Estimated with ω^2 the Composite Scores Reading, Writing and Numeracy — Two-way, Gender Influence and Sub-divisions	56
4.4.5. Estimated Proportion of Learners (N) with Mean Scores for Reading, Writing, Numeracy and Composite Total Scores and Proportion of Learners (P) Obtained NLM Norms in the District and the Sub-divisions, Showing the Age Group Variation	57
4.4.6. Summary Table F-ratio and Est. ω^2 with Achievement Scores of Learners — Two Way, Age Group and Sub-divisions	58
4.4.7. Estimated Proportion (N) of Learners with Mean Scores, for Reading, Writing, Numeracy and Composite Total Scores and Proportion of Learners (P) Obtaining NLM Norms under Religious Groups of the District and the Sub-division	59
4.4.8. Summary Table of F-ratio and Est. ω^2 with Composite Scores of Reading, Writing and Numeracy of the Neoliterates According to the Religious Groups	60
4.4.9. Estimated Proportion of Learners (N) with Mean Scores for Reading, Writing, Numeracy and Composite Total Score and Proportion (P) of Learners Obtaining NLM Norms in the District and Sub-divisions, Showing the Caste Groups	61
4.4.10. Summary Table of F-ratio and Est. ω^2 with Achievement Scores of Neoliterates According to Caste Groups and the Sub-divisions	62

LIST OF TABLES
(Contd.)

	<u>Page</u>
4.4.11. Estimated Proportion of Neo-literates (N) with Mean Scores for Reading, Writing, Numeracy and Composite Total Score and Proportion of Neo-literates (P) Obtaining NLM Norms in the District and Sub-divisions According to Their Profession	63
4.4.12. Summary Table of F-ratio and Est. ω^2 with Achievement Scores of Neo-literates According to Their Profession and the Sub-divisions	64
4.4.13. Estimated Proportion of Neo-literates (N) with Mean Scores for Reading, Writing, Numeracy and Composite Total Score and Proportion of Neo-literates (P) Obtaining NLM Norms in the District and Sub-divisions Showing Their Parental Education	65
4.4.14. Summary Table of F-ratio and Est. ω^2 with Achievement Scores of Neo-literates According to the Parental Level and Sub-divisions	67
4.4.15. Estimated Proportion of Neo-literates (N) with Mean Scores for Reading, Writing and Numeracy and Composite Total Score and Proportion of Neo-literates (P) Obtaining NLM Norms in the District and the Sub-divisions Showing the Effect of Family Size	68
4.4.16. Summary Table of F-ratio and Est. ω^2 with Achievement Scores of Neo-literates According to Their Family Size and Sub-divisions	69
4.4.17. Estimated Proportion of Neo-literates (N) with Mean Scores of Reading, Writing, Numeracy and Composite Total Score and Proportion of Neo-literates Obtaining NLM Norms in the District and the Sub-divisions Showing the Effect of Their Per Capita Monthly Family Expenditure	69
4.4.18. Summary Table of the F-ratio and Est. ω^2 with Composite Achievement Score of the Neo-literates According to Their Per Capita Monthly Family Expenditure and Sub-divisions	71
4.4.19. Estimated Proportion of Learning Centres (N), Mean Scores for Reading, Writing, Numeracy and Composite Total Score Learning and Proportion of Learners (P) Attaining the NLM Norms in the District and the Sub-divisions Showing Effect of Functioning of the Learning Centres	72
4.4.20. Summary Table of F-ratio and Est. ω^2 with Composite Total Score of Neo-literates According to the Functioning of the Learning Centres and Sub-divisions	73

LIST OF TABLES
(Contd.)

	<u>Page</u>
4.4.21. Estimated Proportion of Learners (N) with Mean Scores for Reading, Writing, Numeracy and Composite Total Score and Proportion of Learners (P) Obtaining NLM Norms in the District and the Sub-divisions Showing Their Attendance in the Learning Centres	73
4.4.22. Summary Table of F-ratio and Est. ω^2 with Achievement Scores of Neo-literates According to Their Attendance in the Learning Centres and the Sub-divisions	74
4.4.23. Estimated Proportion of Learners Irregular in the Learning Centres According to the Reasons Behind Their Irregularity in the Sub-divisions and the Districts	75
4.4.24. Estimated Proportion of Neo-literates (N) with Mean Scores in Reading, Writing, Numeracy and Composite Total Score and Proportion of Neo-literates (P) Obtaining NLM Norms in the District and the Sub-divisions Showing the Purpose of Learning	76
4.4.25. Summary Table of F-ratio and Est. ω^2 with Achievement Score of Neo-literates According to the Purpose of Education and the Sub-divisions	77
4.4.26. Estimated Proportion of Neo-literates (N) with Mean Scores of Reading, Writing, Numeracy and Composite Total Score and Proportion of Qualified Learners (P) in the District and the Sub-divisions Showing the Effect of Help in Study Outside the Learning Centres	78
4.4.27. Summary Table of F-ratio and Est. ω^2 with Achievement Score of the Neo-literates According to Their 'Help in Study' Outside the Learning Centres and the Sub-divisions	79
4.4.28. Estimated Proportion of Neo-literates (N) with Mean Scores for Reading, Writing, Numeracy and Composite Total Scores and Proportion of Neo-literates Obtaining NLM Norms in the District and the Sub-divisions, Showing the Getting the Learning Materials	80
4.4.29. Summary Table of F-ratio and Est. ω^2 with Achievement Scores of the Neo-literates According to the Getting Learning Materials and the Sub-divisions	81
4.4.30. Estimated Proportion of Neo-literates (N) with Mean Scores for Reading, Writing, Numeracy and Composite Total Score and Proportion of Neo-literates According to Their Study Beyond Learning Centre Hours and Ability of Supplementary Reading in the District and the Sub-divisions	82

LIST OF TABLES
(Contd.)

	<u>Page</u>
4.4.31. Estimated Proportion of Neo-literates (N) with Mean Scores in Reading, Writing and Numeracy and Composite Total Score and Attainment of NLM Norms (P) in the District and the Sub-divisions Vs. Their Expected Education, Change of Profession and Future Choice of Profession	83
4.4.32. Summary Table of F-ratio and Est. ω^2 with Achievement Scores of the Neo-literates According to Their Study Beyond Learning Centres, Supplementary Reading, Educational Expectation, Change of Profession, Future Choice of Profession and the Sub-divisions	86
4.5.1. Estimated Proportion Participants Impact Study and Their Background	89
4.5.2. Estimated Proportion of Respondents Regarding the Reasons Behind Joining and Not Joining the TLC Programme in the Districts	90
4.5.3. Proportion of Respondents According to Their Attitude of Early Marriage and Children Education	92
4.5.4. Proportion of Respondents According to Their Attitude About Health Consciousness	93
4.5.5. Proportion of Respondents Regarding Their Awareness About the Literacy of the District, Success of Literacy and Choice of Topics for Future Learning	94
