

CONTENTS

Introduction	1 - 7
Review of Literature	8 - 22
Materials and Methods	23 - 47
Observations	
A. Morphological study	
(a) Foliar and floral	48 - 141
(b) Epidermal	142 - 178
B. Palynological study	179 - 232
C. Molecular study	233 - 236
Discussion	
A. Morphological study	
(a) Foliar and floral	237 - 250
(b) Epidermal	250 - 258
B. Palynological study	258 - 275
C. Molecular study	275 - 282
Summary	283 - 295
References	296 - 318
Appendix I
