ACKNOWLEDGEMENT

I express my profound gratitude to the 'Almighty' the merciful and compassionate, and his holy saints with whom grace and blessings, I have been able to complete this project.

I take this opportunity to thank Dr. Dalbir Singh Sogi, Professor, Department of Food Science and Technology, Guru Nanak Dev University, Amritsar for gracing me with the chance to take up this project for study and for his valuable guidance, extremely useful suggestions, constructive interest, untiring and ever willing help which have resulted in completion of this work.

I would also like to extend my thanks to Prof. Balmeet Singh Gill, Head for providing me the necessary facilities in the department to carry out the research work.

I would also like to thanks Prof. Hardeep Singh Gujral, Prof. U.S. Shivhare (Panjab University, Chandigarh), Prof. A.K. Thukral and Dr. Idrees Ahmed Wani (Asstt. Prof, Kashmir University) for their help during my research.

My dear friends and laboratory colleagues are also worth mentioning who acknowledged me with valuable suggestions, for their ever willing cooperation, moral support and rendering ungrudging assistance wherever and whenever need arose and best wishes for successful completion of this study.

Further, I deem my research project incomplete without acknowledging my parents, sister Jasmeet Kaur, my wife Harpreet Kaur and my darling son Ekamdeep Singh Oberoi the pillars of my strength. It was their moral support and inspiration, which ultimately led to successful completion of this study.
