ACKNOWLEDGEMENT

I would like to take the opportunity to express my sincere gratitude to my guide Late Dr. H. B. Kekre, Senior Professor for his invaluable support and guidance throughout my research work. I am indeed indebted to him for appreciating my suggestions and efforts during the work. I am thankful to him for providing timely inputs which help me to alleviate the research as well as real life problems. I am grateful to him for his efforts and constant encouragement which help me to complete the work and thesis.

I would like to extend my sincere gratitude to my subsequent guide Dr. Dhirendra Mishra, Professor & Associate Dean, Mukesh Patel School of Technology Management & Engineering, SVKM’s NMIMS for his valuable inputs during the completion of report. I am thankful to him for his judicious help and without his help this work would not have been possible.

I would also like to thank Dr. Sharad Mhaiskar, Dean, MPSTME, SVKM’s NMIMS for providing his support and encouragement. I am also thankful to former Dean Dr. D. J. Shah for lending his support during his tenure.

This work would not have been possible without the support of panel of expert radiologists. I appreciate their valuable inputs during the validation of the end results. I am greatly indebted to Dr. Ketki Khadtare, Dr. Akshay Sarda and Dr. Wrushali More for their invaluable help.

I also value the support of my parents Mr. Mahadeorao R. Shrinath and Mrs. Indira M. Shrinath, especially my wife Mrs. Dipti Shrinath. I am thankful to her for her care, patience and understanding during the completion of research work.
I am greatly indebted to **Dr. Seema Shah** for her invaluable inputs and support. I am also grateful to **Dr. Vijay Raisinghani** and **Dr. Ketan Shah** for their constant motivation, encouragement and concern. I would also like to thank my friends Mr. Sumedh Pundkar and Mr. Sudhir Bagade for their constant motivation.

I appreciate the guidance, feedback and contributions by all those who have directly or indirectly helped me during my research.

**Mr. Pravin Mahadeorao Shrinath**
