I express my reverence to Dr. B.B. Singh, Principal, Udaipur Pratap Autonomous College for providing all sorts of facilities for carrying out the present investigation.

Sincere thanks are also to Sri. R.P. Singh, Head and other respected teachers of Department of A.H. & Dairying, Udaipur Pratap Autonomous College, Varanasi for his kind co-operation and sincere help whenever needed.

My heartiest thanks to my grandfather Sri. Sita Ram Lal
Srivastava whose kind bless always near to my heart and I am highly grateful to my father Sri Sharda Prasad Srivastava M.Sc.(Ag.), who always suggest me to adopt the way of progress. I shall be highly obliged to my kind hearted ideal mother Smt. Usha Srivastava for her kind bless and wish of my better prospect.

I am also greatful to my respective Uncles Sri B.P. Srivastava, Sri. K.P. Srivastava & Sri. L.P. Srivastava to keen interest and moral support. Great congratulation to my younger brothers and other family members, neighbours who has always a sweet wish of progress to me.

I got a good motivation from my younger sister Dr. Poonam Srivastava, Lecturer Hindi, engaged in a degree college who has awarded her Ph.D. degree in March, 2000 from U.B.S. Purvanchal University, Jaunpur. I am also greatful to my younger sister Reena Srivastava and Smt. Neelam Srivastava and brother-in-law Sri Neeraj Srivastava for moral encouragement in completion of this investigation.

Thanks are also due to the authorities of “U.P. Council of Agricultural Research, Lucknow” for providing the financial assistance. I am
thankful to Dr. S.C. Tripathi, Scientific officer, UPCAR, Lucknow for his encouragement, inspiration and helps when needed.

My acknowledgement will remain incomplete, if I fail to acknowledge my relative Sri Bhagwan Das Srivastava for his kind suggestion and progressive mind. His higher thought would be always with me.

Lastly I can not forget to thank Sri Rajesh Maheshwari, Bigbyte Computers, Bhojubeer, Varanasi for laser composing of this manuscript with great care and devotion.
