ACKNOWLEDGEMENT

I would like to express my deep sense of gratitude to Dr. D. D. Pandey, Reader, Department of Agricultural Botany, Shri Durga Ji Post Graduate College, Chandeshwar, Azamgarh for his valuable guidance in this investigation and preparation of the manuscript.

I am grateful to Dr. D. P. Dwivedi, Principal, Shri Durga Ji Post Graduate College, Chandeshwar, Azamgarh for providing all the facilities for this study.

Sincere thanks are due to Dr. R. A. Sharma, Dr. G. Prasad, Dr. S. S. Lal and Dr. R. P. Tripathi, Department of Agricultural Botany and Dr. H. P. Sharma, Department of Agronomy for their constant inspiration during my study.

I express my heartfelt appreciation to Sri Anil Kumar Rai, I. C. T. Computer, Sidhari, Azamgarh for sparing his valuable time for composing & printing this Ph. D. thesis.

In the end, I pay my heartly affection in presenting this acknowledgement to my father, mother and other family members for their encouragement and support.
