ACKNOWLEDGEMENT

The work in the Thesis was carried out under the supervision of Dr. Satyendra Singh, D.Sc., Department of Chemistry, K.N. Govt. P.G. College, Gyanpur, Sant Ravidas Nagar. The author expresses a deep sense of indebtedness to his teacher for his interest.

The author is also grateful to Dr. A.N. Pandey, principal K.N. Govt. P.G. College, Gyanpur for their co-operation and providing facilities during my research work.

I am beholden to Dr. Fateh Bahadur, Head Department of Chemistry K.N. Govt. P.G. College, Gyanpur for evening keen interest in his work. I must specially thanks to Dr. R.M. Gupta, Dr. Veena Arora, Dr. B.M. Prasad, Dr. R.K. Singh, Dr. R.N. Sharma, Dr. Vinay Kumar Singh, Dr. N. Majumdar, Dr. P.K. Verma, Dr. O.P. Singh and Dr. A.K. Srivastava of Chemistry Deptt. K.N. Govt. P.G. College, Gyanpur for their encouragement and valuable help. I gratefully appreciate the scholarly gesture of Dr. Kanchan Gaur of Physics Department.

Perhaps none is able to enumerate the debt of parents Shri Lal Mani Pandey and Smt. Mithelash Pandey. I would like to express only my pride and good fortune for constant encouragement and all possible and assistance rendered by them.

I am grateful to my respected elder brother Shri Amit Kumar Pandey and respected Bhabhee Ji, Smt. Alka Pandey and younger sister Rakhi Pandey for their inspiration and motivation.

At last but not least, I cannot forget to record a deep sense of regards and appreciation to Respected Dr. S.C. Tiwari and Respected Aunty Mrs. Ambalika Tiwari who helped me in every sphere of my academic life.

(Ashish Kumar Pandey)
