PUBLICATIONS

1. Study the effect of Liquid Hospital Waste (LHW) on the growth of Bacterial Population in Municipal Sewer System.
   *Parisheelan 2010, VI (III), 81-84*

2. Mass spectral studies on steroidal compounds; Steroidal -7- one oximes in the cholestanone series.
   *Parisheelan 2011, VII (I), 62-

3. Synthesis and fungicidal activity of - aryl/aryloxy methyl-2- spiro-(1,3-dithiolane-2,4')-3'- chloro azetidin-2'-one-1,3,4'- thiadiazoles and 5-aryl/ aryloxymethyl-2-sdapiro(1,3-dithiolan- 2,2’- thiazolidin - 4'-one-3'-yl)-1,3,4-thiadiazoles.
   *Communicated- Indian Journal of Chemistry*

4. Study the impact of metallic pollution on phytoplankton in riverine ecosystem.
   *Communicated- Environment and Ecology*
