Acknowledgement

I avail myself of this opportunity with great pleasure for acknowledging my deepest sense of gratitude to my advisor, Dr. Ganesh Singh, Reader in the Department of Horticulture, Udaipur Pratap Autonomous College, Varanasi, for his keen interest, valuable in guidance, constructive criticism and encouragement throughout the pursuit of present investigation and vital suggestions, during the course of investigation and preparation of this manuscript which is mainly responsible for accomplishment of target.

I am extremely grateful to Dr. S. N. Singh, Reader, Dr. T. B. Singh Reader, & Dr. M. C. Singh, Head, Department of Horticulture and other members of this department for their constructive help, valuable suggestions and encouragement during the course of present investigation.

I am extremely thankful to Dr. B. B. Singh, Principal, Udaipur Pratap Autonomous college, Varanasi, for their constructive help and valuable suggestion and encourage during the course of present investigation.

I am also thankful to friends for their willing co-operation, help and encouragement, during the course of work.

I affectionately acknowledge to papa & Amma, who are not worthy to the mere limitation of their contribution to my life. The love and respect mingled with care received from his sisters cannot be confined into few words.
