Glossary

HOUSEHOLD

- A household is a group of persons normally living together and taking food from a common kitchen.

RURAL LABOUR HOUSEHOLD

- A household is classified as rural labour household if its major source of income during the last 365 days was more from wage paid manual labour (agricultural and/or non-agricultural) than either from paid non-manual employment or from self-employment. Rural labour households include agricultural labour households also.

RURAL LABOUR HOUSEHOLDS WITH CULTIVATED LAND

- A household with cultivated land either owned or taken on lease was regarded as household with and cultivated land was taken to mean the net area sown during the last calendar year i.e. January to December 1992 preceding the year of enquiry and included orchards and current fallows.

MAIN WORKERS

- Main workers are those who have worked for the major part of the year preceding the date of enumeration. Major part of the year means 6 months i.e. 183 days or more during the reference year.

MARGINAL WORKERS

- Those persons who had not worked for the major part of the year preceding the date of enumeration i.e. those who had worked for less than six months i.e. 183 days in the year are termed as marginal workers.

NON - WORKERS

- Those persons have been treated as non-workers who have not worked any day during the year preceding the date of enumeration.
CULTIVATOR

- A person is working as cultivator if he/she is personally engaged in cultivation of land owned or held from Government or held from private persons or institution or any other source for payment in money, kind or share or under his supervision or direction get the land cultivated by others. Those persons shall also be treated as cultivators land in the form of family worker.

AGRICULTURAL LABOURER

- A person who works on another person’s land for wages in money, kind or share should be regarded as an agricultural labourer.

HOUSEHOLD INDUSTRY

- For a person who returns his/her main activity as engaged in some production, processing, servicing or repair of articles or good such as handloom, weaving, dyeing, carpentry, bidi rolling, pottery manufacture, bicycle repairing, blacksmith, tailoring etc. and the work is mainly done by the household members in the form of household industry that he is treated to be working in an Household Industry.

OTHER WORKERS

- The type of workers that come under this category include factory workers, plantation worker, those in trade, commerce, business, transport, mining, construction, political or social workers, all government servants, municipal employees, teachers, priests, entertainment artists etc i.e. in effect, all those who work in any field of economic activity other than cultivator, agricultural labourer or household industry come under “other worker” category.
