Acknowledgements

With great regard and respect, I would like to express my sincere gratitude to my supervisors Prof. Jaweed Ashraf and Prof. A. Ramesha Rao, for their invaluable guidance, keen interest, encouragement and constant support, throughout my research career. I don't have to express my thankfulness for their guidance, positive criticism, care and affection.

With due respect, I would like to acknowledge Dr. R. K. Kale for his generosity, appreciation and guidance pertaining to study as well as research matters. I am also thankful to Prof. R. Singh, Prof. S. K. Sapory, Dr. P. K. Yadav, Dr. P. C. Rath and Dr. R. N. K. Bamezai who imprinted an everlasting impression on me through their academic brilliancy and teaching style.

I would like to express my gratitude to Prof. K. C. Upadhyaya, Dean and also Prof. R. Prasad (former Dean) for insuring proper functioning of the school and the CIF.

My sincere thanks are due to my seniors Dr. Banerjee, Dr. Shehla, Dr. Sarajjit and Dr. Archana, for their timely help and guidance.

I wish to extend my profound thanks to my labmates Suresh, Mallik, Gayatri, Ester, Trisha, Anita, Bisht, Dhana and Padma for creating an amicable and lively atmosphere in the lab and for helping me in each and every stage of my work. I express my sincere appreciation to DC, Lakshmi, Paddu and Arjuna for the troubles they took for me in shaping and completing the thesis. Thanks are also due to Mr. Harish and Mr. Anwar for their laboratory assistance.

My sincere and heartfelt thanks are due to my friend DC for his constant encouragement and support, whenever I needed it. My heartiest thanks are also due to my friends Anil, Pushp, Paul, Pratap, Chitrasesh, Abhay, SKM, Jaspreet, Mayank, Dharminder, Kajori, Kiranmai, Sanjeev, Ranjan, Praveen, RK, Ajay, Awadheesh, Anjali, Gagan, Deepthi and Rajesh for their friendly attitude towards me.

My thanks are also due to all those who had helped me in getting the plant materials and for those who made my stay pleasant and successful, during my ethnomedical survey in Madhya Pradesh.

I would like to thank the CIF, SLS office staff for their assistance and Dr. Tyagi, Mr. Pandey and other animal house staff for their help and cooperation.

I owe more than words to my family members for their love, care and encouragement.

Financial support given to me by UGC, India through Jawaharlal Nehru University is gratefully acknowledged.
