**Acknowledgements**

I find it very difficult to express my feelings and find appropriate words to the sense of gratitude that I owe to the people who lent their helping hands, directly or indirectly, during the entire course of this study. I must apologise if I haven’t been able to do justice to the people who slipped out of my mind inadvertently.

First of all, I extend my sincere and honest deep sense of gratitude to my respected supervisor Dr. Saumitra Mukherjee for his sincerity, love, faith, excellent supervision, valuable suggestions and encouragement throughout my research work that enabled me to complete this research work successfully.

I express my deep sense of gratitude to Prof. Kasturi Datta, Dean, School of Environmental Sciences for providing me necessary facilities to carry out my research work. I am also thankful to former Deans of S.E.S., Prof. D. K. Banerjee, Prof. J. Subba Rao and Prof. V. Rajamani for providing me infrastructural facilities during their tenures in carrying out the present research work.

I would also like to thank other faculty members of our school especially Prof. K. G. Saxena, Prof. J. Behari, Prof. P.S. Ramakrishnan and Dr. P.S. Khillare who were always cooperative during my M.Sc./M.Phil. course work.

I'm not getting appropriate words to express my feelings to say my special thanks to Dr. Abdul Azeem for his guidance, cooperation, and sincere help in digital image processing as well as in GIS analysis of my research work, it won't be wrong if I say this work would not have reached to this present level of conclusion without his personal effort.
My especial thanks to my senior, friend, brother and labmate Dr. Pramod Kumar for his constant support, encouragements and helping me in every possible way to successfully complete my research work. I am unable to express my respect and feelings in words for his love and affection showered on me and my other family members till now. He always wanted to be with me throughout my work but he was compelled by his prior engagements to stay away at the last moment, but that does not minimize his contributions in my present work and life.

I owe my sincere thanks to my dear friend Anand Kr. Verma who not only helped me in my research work but also encouraged me at crucial moment. I must say that he contributed a lot in the final phase of my work and was an asset for my work.

I would also like to express my sincere thanks to Dr. Kumudranjan Naskar (National Fellow ICAR), Central Inland Capture Fisheries Research Station; Dr. Parthasarathi Chakrabarti, Principal Scientist, State Remote Sensing Centre, W.B.; A.K. Raha, Director, Sundarban Biosphere Reserve & Chief Conservator of Forests (S), W.B.; Mrs. Namita Nayak, New Treasury Building, Alipore Collectorate; Goutam Chakravorty, Asstt. Divisional Forest Officer, 24-Parganas (South) Division, W.B.; S.C. Acharya (Technical Officer), Sundarban Development Board; P.K. Ray, Conservator of Forest, South & Joint Director, Sundarban Biosphere Reserve, W.B.; Dr. K.K. Bhagat, Addnl. Director, State Water Investigation Directorate, Kolkata.; Dr. P.C. Ghosh, State Water Investigation Directorate, Kolkata; Dr. T.S. Bandyopadhyay, Director, Institute of Wetland Management and Ecological Design, W.B. and B.P. Mukherjee, GSI, Kolkata, for providing me all sorts of help and encouragement during my field visits.

I am also very thankful to my respected seniors Dr. Anita Mukherjee, Dr. Sangeeta, Dr. Ravindra Gavali, Abhay, Dr. M. Swarna, Dr. Anup Das, Dr. Vijay Baraik and Dr. S. Balachandran for always was being ready to extend their helping hand and
willingness to help me at any moment during my research work. And my hearty thanks to my friends & batchmates Rajeev Lochan, Preet Singh, Sumit Verma, Kiran, Anju, Raza Rafique-ul-Haq, V. Vankat Ramanan for their support and encouragement at different points of time during this work.

I would also like to express my heartiest thanks to some of my close friends and well wishers, who were, though physically not present with me but their presence was always felt like Manoj, Dr. Niranjan, Mukesh, Dr. Balmukund, Chandan, Radha Raman Pd. Yadav, Bobby, Dr. Tribhuwan Ram, Dr. Ved Prakash, Ravindra Nath and Kaushalya Madam (my school teacher) and Kane Guruji (my first teacher) who played a key role in shaping up my life.

I also extend my hearty thanks to my respected Dr. Vivek Kumar, Dr. Jatishankar Bandyopadhayay, Dr. Nawal Kishore and lovely bhabhiji(s) for their charming and caring nature, who always encouraged and inspired me a lot just like a younger brothers.

I am thankful to my near and dear friends Bheem Prakash, Sanjay Gaur, Ram Tirath, Bhabhijis, Usha and Kusum who were always available to me whenever I needed them.

I extend my hearty thanks to my lovely brother Awadhesh and sisters Sushma and Rinku for their love, affection, encouragements which always gave me mental strength during this long time period of my research work.

I also extend my thanks to Vishwanath, Mahatma, Suchi, Sunita, Sudha, Manas Milind, Hira Lal, Madan, Prashant, Sudhakar, Prashant Tupe, Keshri, Pramod, Parmanand, Brij Kishore, Bhawna, Sutapa, Uma, Kiran, Sindhru, Bindu, Leela, Ajay
Dr. Phool Badan, Dr. M.P. Rana Dr. Dinesh, Dr. Ravindra Kumar, Dr. Abhay, Dr. Reeta and Dr. S. B. Thapa, Dr. Nihar Das and Dr. Nishant for their moral support and keeping my temperament cool throughout my stay in J.N.U.

I also extend my thanks to C.P.C.B. and C.G.W.B. for providing me necessary data. I am very much thankful to Mr. Rawat (Public Relation Division, C.P.C.B.) for his kind gesture and helping nature, who helped me in data collection from C.P.C.B.

The Junior Research Fellowship (JRF) and Senior Research Fellowship (SRF) provided by JNU-UGC (University Grants Commission) to carry out my research as a research scholar at the School of Environmental Sciences, Jawaharlal Nehru University is gratefully acknowledged.

I also express special thanks to all my labmates for providing a conducive environment in the lab and Mr. Daya Ram Yadav, (Lab. Asstt.) for his constant encouragement and keeping my sprit high during my work.

It's appropriate time to thank Mr. S.D.S. Rawat for his truly student friendly nature. I also extend my thanks to other staffs of our school office. I am also thankful to Dr. P.D. Gayakwad, Mr. B.D. Sharma and Mr. Venkat for their technical support.

Finally, I owe profound gratitude to my father Shri Arjun Chaudhary and my mother Smt. Shanti Devi and all family members, who were always with me. Though words are not adequate to express my love and gratefulness to my beloved parents, they are my source of inspiration, guiding force in my life and they did everything to make me feel free from all burdens and concentrate on my research work.

J.N.U., New Delhi

June 2004
