

ACKNOWLEDGEMENT

Ab initio, I express my deep sense of gratitude and profound respect to Dr. Devi Prasad Upadhyay, Reader, Department of Geography T.D. College Jaunpur, under whose guidance the present research work has been completed. He encouraged me very much and came to my rescue at every crucial moment. I have yet to come across such a dedicated and hardworking scholar and I count his guidance as a distinct privilege to me.

I wish to express my indebtedness to Dr. Ram Lakhan Singh, Head of Geography Department, T.D. College, Jaunpur in the warmest personal way for allowing me to join the department and completing the present work. I am obliged to Dr. B.B. Singh, Geography Department, T.D. College, Jaunpur for his sincere co-operation and inspiration. I pay special thanks and regards to Dr. P.L. Tamta for his continuous inspiration and timely suggestions about the subject matter and mapping techniques.

I am much obliged to Shri Ram Adhar Yadav Lab assistant and Shri Jai Shankar Geography Department T.D. College Jaunpur, who provided research materials, references and other helps.

I am extremely grateful to my parents Major Ram Lakhan Singh and Smt. Sita Singh for their parental support and providing me golden opportunity to complete this thesis.

I mirthfully express my obligation to my eldest brother Dr. Mukesh Singh, for his timely inspiration and co-operation in completing this thesis.

I express heartfelt thanks to my younger sister Pallavi Singh for her moral support, inspiration and kind co-operation in the preparation of maps and organisation of subject matter.

I am not finding words to thank Mrs. Manju Upadhyaya for her

help in mapping, timely inspiration, keen observation, creative criticism and field observation.

My special thanks are also due to Prateek Upadhyaya, Gaurav Upadhyaya, Brijesh Yadav, Abhaya Tiwari, Basant Ballabh Bhatt and Shayam Dutta Dubey for their co-operation in field work calculation and preparation of this thesis.

I am also thankful to Niraj Upadhaya and Ashutosh Asthana for typing the thesis nicely in a short period.

I would also like to express deep regards to my father-in-law Shri Satya Narayan Singh, my mother-in-law Smt. Prema Singh and brother-in-law Pranav Singh for their co-operation and suggestions.

Last but not the least, I express my deep sense of gratitude and special thanks to my husband Shri Satyendra Singh for his moral support, inspiration and patience during my work.

I would also like to thank S.D.O. Shahdol Region for his help and co-operation in the collection of data during field work.

Finally, I am grateful to all those Geomorphologists, Hydrologists, Geologists, Pedologists and Engineers of India and abroad whose work I have consulted during the preparation of the present thesis and quoted them in my thesis.
