ACKNOWLEDGEMENTS

With great pleasure I express my deep sense of gratitude to Dr. A.K. Gupta, Head of the Department of Botany at S.B. P.G. College, Baragaon, Varanasi, for his criticism, inspiration, healthy discussions, encouragement and expert guidance for the successful completion of this work.

I am extremely thankful to Dr. Shamshad Alam Ex-Principal and Dr. Bhav Nath Singh, Principal of S.B. P.G. College, Baragaon, Varanasi for providing the laboratory and library facilities and also for encouragement during the study period. His disciplined approach was an ideal embodiment.

I humbly seize this opportunity to express my deep sense of gratitude to Prof. S. Dubey, Head of Dravyaguna Department at Banaras Hindu University, Varanasi for providing all possible library and laboratory facilities, his healthy suggestions and kind help throughout the research work.

With sincere regards, I acknowledge Professor K.N. Dwivedi, Dravyaguna Department at Banaras Hindu University, Varanasi for his excellent guidance and suggestions for the research problem.

My sincere thanks are due to all the respected teachers, especially Dr. (Smt.) Vineeta Singh, Dr. Sudha Rani Govil, Dr. A.K. Srivastava, Dr. Sanjay Kumar Singh, Dr. V.K. Choudhary of S.B. P.G. College for their encouragement during the study.

I gratefully acknowledge the extensive help and sincere advice given by Dr. Mitresh Kumar Singh, DLM Educational and Cultural Society, Varanasi.

I also place on record my thanks to non-teaching staff, Shri Piyush Mishra, Departmental Librarian, Shri R.K. Singh, Lab. Assistant, Shri Phoolchand, Peon of Botany Department, S.B. P.G. College, Baragaon and Prof. H.N. Prasad, Head Librarian, Central Library, Banaras Hindu University, Varanasi.
I am extremely thankful to all my seniors and colleagues without whose help and encouragement, I could not have completed the investigation. I especially thank Dr. D.V. Singh, Dr. S.N. Singh, Dr. A.K. Singh, Dr. R.K. Singh, Dr. R.P. Singh, Dr. Ajay Singh, Dr. M.P. Singh and Dr. S. Singh, Department of Botany, U.P. College, for their constant and valuable help.

Thanks are due to Shri Bhai Lal, DDS Computer Works, Newada, Varanasi for his pain taking efforts of typing unreadable manuscripts. His fine quality of typing and formatting is greatly appreciated.

I cannot fail to express my feelings about my father, Dr. R.C. Pandey, who gave me healthy support and all suitable facilities to complete my work. I wish to express my deep sense of gratitude to my mother Smt. Saroj Pandey for her every possible help and continuous encouragement throughout the work.

My words will never be able to express my feeling for my uncle Mr. R.K. Dubey, Senior Scientific Officer, H.G. University, Sagar, M.P., my aunt, Mrs. Rita Dubey and friends, Akakshara Pathak, Sunita Singh, Bhabhi, Smt. Prabha Pandey who encouraged me during moments of despair and extended every kind of support to see my thesis completed. I cannot miss to recall the love of my brothers, Mr. Vivek Pandey and Mr. Vikash Pandey, cousins, Alok and Rashmi. In fact their deep love gave me the necessary strength to get over the tension during various stages of this work.

I am beholden by the motivation, encouragement and whole-hearted cooperation of my husband Mr. Neeraj Upadhyay, without whose contribution I would have never been able to undertake the task of writing the manuscript of the thesis.

I would like to pay my deep thanks to God Ganesha, God Shiva, Goddess Maa Durga and all invisible sources, who provided constant energy and blessings that helped me to complete my research work. My thesis is dedicated to my Gurudeo.
