

## **Acknowledgments**

I gratefully acknowledge all those who helped and supported me in the completion of my Ph.D thesis. I am thankful to Dr. Mrs. Vijaya Manerikar for consistently guiding me at various critical junctures of my work.

This work would not have been possible without the unconditional support of my husband Capt.Ravi Dhir and sons Kunal and Rishi Dhir, who actively encouraged me to pursue my work until completion, they being by my side in all the phases of my research.

I would like to take this opportunity to thank Dr. John Meyer for taking keen interest in my work and readily giving me his valuable inputs. I also thank Dr. Fox and Dr. Spector for granting me the permission to adapt their tool to the Indian context.

I thank our Dean, Dr. M L Shrikant for the inspiration and the encouragement he has provided. Dr. Suranjan Das, my colleague, has given me important inputs throughout my research endeavor whenever I needed it. I am indeed grateful to him.

I wish to thank my Research Associate, Malini Krishnan, who has ably assisted me with all my academic responsibilities at the institute, allowing me to focus my resources on my research.

I thank Mr.Mukesh Gujara who has diligently assisted me with all the administrative work pertaining to my thesis. He has also aided me in the implementation of data collection via electronic forms.

Also I thank all my colleagues at the institute who have consistently motivated me to give priority to my research work
