ACKNOWLEDGEMENT

There is hardly any work that can be accomplished without soliciting help and cooperation from others. Research requires the cooperation of a host of men from students and teachers to typists and bookbinder. It would not be in keeping with customs and cultural norms of a civilized society, if the researcher does not accord his sincere thanks to all those who have helped him.

This study could be possible with the help of a number of persons. I owe a deep sense of indebtedness to each of them. Words express only inadequately my thankfulness to all of them. First of all, I am thankful to Dr. D.P. Dwivedi, the Principal, SDJPG College, Chandeshwar, Azamgarh who not only gave all sorts of administrative facilities azamgarh for the research but also supported me morally to carry out this work.

I express my thanks to my most esteemed, and kind hearted guide Dr. V.K. Rai who took keen interest in my investigation and gave active encouragement and guidance during the course of study. But for his help this work would not have seen the light of the day.

I am also beholden to Shri V.K. Singh, Dr. Giriwar Singh, Dr. S.N. Pandey, Dr. Malti Mishra, Dr. S.K. Shukla, Dr. Durgawati Upadhyay, Dr. Madhubala Rai, Dr. Surendra Ram, the staff members of the Dept. of Education of SDJPG College, Chandeshwar, Azamgarh for their support and benign gesture in the consummation of this work.

Moreover, I am indebted to Dr. S.K. Singh, Reader, Faculty of Education, Kamachha, B.H.U. Varanasi, Dr. Rajesh Kr. Singh, Ajay Kr. Singh, Awadhesh Singh, Alok Ranjan, Abhishek Ranjan, Rintoo Singh
and Anita Singh. Thanks are also due to the Principals and members of the staff of the all Central Schools of Eastern U.P. from where data has been collected.

The greatest duty on my part is to express my deepest love and reverence to my dearest Mom and Papa who sustained my education with love and money. I cannot appropriately express my deep gratitude to and feelings for my hearty sons, Shivansh and Shreyansh, whose filial warmth and fondling have always been a guiding force in the promotion of my career. My most intimate friend & wife, Madhu deserves inexplicable thanks for the service she rendered to me day-in and day-out.

I express my special thanks to authorities of Kendriya Vidyalaya Sangathan who allowed me to carry out this work. Any Ph.D. work could not be completed without consultation of related literatures and books. For providing assistance in this regard I am thankful to Mr. Ram Avtar Yadav librarian, Faculty of Education, Kamachha, B.H.U, Varanasi and his assistant Mr. Hiralal.

Last, but not the least, mention should be made of Amit Misra (Computer teacher) and my brother in law, Sujit Kumar Singh, who bore patiently with me for typing my manuscript.
