

LIST OF TABLES

Table No		Page
1.1	Developmental Characteristics of the Mental Retarded.	10
1.2	AAMD Classification of Mental Retardation with Special Categories.	11
1.3	Growth of facilities of Special Education from 1931 to 1991.	40
1.4	State-wise distribution of facilities for Special Education.	41
1.5	Number of Staff and Number of Qualified Staff working in Schools for Special Education.	42
4.1	Means and Standard Deviations of Oral Skill scores of EMR and TMR and results of tests of significance of difference between Means.	163
4.2	Means and Standard Deviations of Reading Skill Score of EMR and TMR and results of tests of significance of difference between Means.	163
4.3	Means and Standard Deviations of Writing Skill Score of EMR and TMR and results of tests of significance of difference between Means.	164
4.4	Means and Standard Deviations of Motor Skill Score of EMR and TMR and results of tests of significance of difference between Means.	164
4.5	Means and Standard Deviations of socio-emotional Skill score of EMR and TMR and results of tests of significance of difference between Means.	165
4.6	Consolidated figure of Mean, Standard Deviation and C.R Value for communication skills and motor and socio-emotional skills of EMR and TMR.	166
4.7	Communication Skills and Motor and Socio-emotional skills Ranked on the basis of extent of Mean differences between EMR and TMR.	167

4.8	Communication Skills and Motor and Socio-emotional skills ranked on the basis of Mean scores for EMR & TMR.	168
4.9	Means and Standard Deviations of Scores on Oral Skills of EMR Control and Experimental Groups.	169
4.10	Means and Standard Deviations of Scores on Reading Skills of EMR Control and Experimental Groups.	170
4.11	Means and Standard Deviations of Scores on Writing Skills of EMR Control and Experimental Groups.	171
4.12	Means and Standard Deviations of Scores on Motor Skills of EMR Control and Experimental Groups.	172
4.13	Means and Standard Deviations of Scores on Socio-emotional test of EMR Control and Experimental Groups.	173
4.14	EMR: Means and Standard Deviations and C.R value of Pre-test and Post-test score on Oral, Reading, Writing, Motor and Socio-emotional skills.	175
4.15	Communication skills and Motor and Socio-emotional skills ranked on the basis of mean scores for EMR control and experimental groups.	176
4.16	Communication skills and motor and socio-emotional skills ranked on the basis of extent of difference (C.R value) between pre and post-test mean score of experimental and control groups of EMR.	177
4.17	Means and standard deviations of score on Oral Skills test of TMR control and experimental group.	178
4.18	Means and standard deviations of score on Reading test of TMR control and experimental group	179
4.19	Means and standard deviations of score on Writing test of TMR control and experimental group.	180

4.20	Means and standard deviations of score on Motor test of TMR control and experimental group.	181
4.21	Means and standard deviations of score on socio-emotional skills test of TMR control and experimental group.	182
4.22	Consolidated findings of TMR, relating to all the five skills.	184
4.23	Communication skills and motor and socio-emotional skills ranked on the basis of mean scores for TMR control and experimental group.	185
4.24	Communication skills and motor and socio-emotional skills ranked on the basis of extent of difference (C.R. value) between Pre-test and Post-test scores of control and experimental groups of TMR.	186
4.25	Means and Standard Deviations of gain scores of Communication skills and motor and socio-emotional skills of EMR and TMR.	188
4.26	Communication Skills, motor and socio-emotional skills ranked on the basis of the means of gain scores.	189
4.27	Mean and standard deviations of score on Oral Skills test of Early Intervention control and experimental group and results of testing of difference between Means.	190
4.28	Mean and standard deviations of score on Reading Skills test of Early Intervention control and experimental group, and results of testing significant difference between Means. .	191
4.29	Mean and standard deviations of score on Motor Skills test of Early Intervention control and experimental group, and results of testing significant difference between Means.	192
4.30	Mean and standard deviations of score on Socio-emotional skills test of Early Intervention control and experimental groups and results of test of difference between Mean.	193

4.31	Consolidated table of Means and Standard Deviations of scores on Oral, reading, motor and socio-emotional skills with C.R value of Early Intervention Group.	195
4.32	Communication skills and motor and socio-emotional skills ranked on the basis of mean scores for Early Intervention Group.	196
4.33	Communication skills and motor and socio-emotional skills ranked on the basis of extent of difference between pre-test and post-test score of experimental and control group of Early Intervention group.	197
4.34	Means and Standard Deviations of Score on Communication Skills, and motor and socio-emotional skills of Early Intervention (Post-test) and Late Intervention (Pre-test) EMR and TMR.	199
4.35	Results of tests of significance of difference between mean of Early and Late Intervention Group.	200
4.36	Comparison of gain score of Early Intervention and Late Intervention (TMR) on Communication Skills and Motor and socio-emotional skills.	201
4.37	Means and Standard Deviations of Gain Scores of early and Late Intervention Groups (EMR and TMR).	202
4.38	Comparison of gain score of Early Intervention and Late Intervention (EMR) on Communication Skills and Motor and socio-emotional skills.	203
4.39	Distance scores of EMR and TMR Experimental Groups.	206
