ACKNOWLEDGEMENT

The heart pours with reverence and pleasure, the mind rests at the zenith of happiness while expressing the deepest regards at the lotus feet of Rajarshi Shri Udai Pratap Singh Ju Dev, Rajarshi Jee (Raja Bhinaga), whose ecstatic creation, the Udai Pratap College let me reflect my quest for searching mystery of my subject in the form of present manuscript.

This work is a reflection of the rays of mercy emitted from the Almighty, with whose shower of blessings this task has ventured without any hindrances. I pay my entire obeisance to him for providing me this opportunity.

I express my deep sense of gratitude and sincere thanks to my respected supervisor Dr. D.K. Singh, Reader, Department of Zoology, Faculty of Science, Udai Pratap Autonomous College, Varanasi, whose inspiring teaching, valuable guidance, constant encouragement, timely remarks and helpful suggestions throughout the preparation of this thesis are beyond capacity of my words to reciprocate with thankfulness. It is really bliss for me that he has provided me an opportunity to complete this work under his kind patronage and expert guidance. I require his blessing not only for today but also forever.

It is needed a pleasing privilege for me to express my profound gratefulness to Dr. O.P. Singh, Principal, Dr. M.C. Singh, Ex-Principal, Dr. V. B. Singh, Head, Department of Zoology, Sri D.P. Singh, Head Department of Entomology Agricultural Zoology, Udai Pratap Autonomous College, Varanasi, for providing necessary facilities, their valuable suggestions, inspirations and liberal help rendered during the course of research.

I am grateful to Dr. H.N. Singh, Emeritus Professor, Dr. D.S. Mishra Emeritus Professor, Dr. N.N. Singh, Professor, Dr. C.P. Srivastav, Professor, Dr. Paras Nath Professor, Dr. S.V.S. Raju, Reader and Dr. R.N. Singh, Reader, Department of Entomology and Agricultural Zoology, Institute of Agricultural Sciences, Banaras Hindu University, Varanasi, Dr. S. Satpati, Senior Scientist, Department of Agricultural Entomology, Indian Institute of Vegetable Research.
(IVR), Varanasi, Dr. R.S. Bishen, Retired Professor, Department of Agricultural Entomology and Ex Dean Faculty of Agriculture, C.S. Azad University of Agriculture and Technology, Kanpur for their kind help, excellent suggestions, constant inspiration and blessings during the course of investigation.

I am especially thankful to Dr. Ganesh Singh, Dr. B.L. Saraswat, Dr. Vinay Kumar Singh, Dr. Ashok Kumar Singh, Dr. (Mrs.) Sunanda Dubey, Mr. Govindam, Sri H.B. Singh Babbu, Sri Pradeep Singh, for their suggestions, cooperation, affection, moral and material supports in bringing the dissertation in a meaningful form.

My eyes become wet with tears of pleasure and I have not sufficient words to express my utmost gratitude to my venerate grand parents Late Sri R.K, Singh and Late Smt. S. Singh, younger brothers Mr. Kapil Dev Singh, his wife Smt. Alpana Singh, and Mr. Krishna Dev Singh, my nephews Mr. Updesh and Mr. Pawness and other family members whose blessings moral support, sacrifice catalytic encouragement and internal love have always been a booster to me in upbringing up to this stage.

Parents are the representatives of God on earth. I am overwhelmed with rejoice to avail of this rare opportunities to evince my profound sense of indebtedness to my beloved parents Smt. Savitri Singh and Sri Hanuman Bux Singh, my Better half Smt. Sarita Singh for their entirety help inspiration love affections and encouragement, blessings and exhortation without which I could not have achieved this goal.

Time and again I am enormously thankful to my beloved sons Aditya Singh and Ayush Singh for their innocent and affections gave me in entire study period.
