ACKNOWLEDGEMENT

I have great pleasure in expressing my deepest sense of gratitude and indebtedness to Dr. K. N. Singh, Reader in Mathematics, S. G. R. P. G. College Dobhi, Jaunpur, under whose invaluable guidance and supervision, this work has been carried out. I feel myself fortunate to get his unstinted cooperation and guidance through the entire course of my research work. His kind disposition, favour and zeal for my work has been a constant inspiration to me.

I wish to extend my sincere thanks to Dr. P. K. Singh, Principal S. G. R. P. G. College Dobhi, Jaunpur for this generosity in allowing me to use the existing facilities of the Department.

It is highly desirable to express my indebtedness to Dr. K. M. L. Agrawal Ex. Principal B. R. D. P.G. College Deoria and Dr. V. P. Singh (Ex Vice Chancellor and Ex Principal) been greatly instrumental in initiating me to join research and has very actively helped me in carrying out the research work.

I am thankful to Dr. H. S. G. Rao, Let Dept. of Botany, B. R. D. P. G. College Deoria, for his help and giving good suggestion
Cooperation and help extended to me by Reader and Lecturer of the Department of Mathematics, S. G. R. P. G. College, Dobhi, Jaunpur. Thanks are due to Mr. Devendra Prasad Mishra for his careful typing of the thesis.

I deeply acknowledge the blessings of my father Sri Gulab Chaubey, Mother Srimati Lal Mati Devi and brother Sri Kameswor Nath Chaubey and sister Km. Shrutrelekha which have always been continuous source of inspiration and encouragement to me. Lastly, I owe everything to God during the entire course of the work.
