ACKNOWLEDGEMENTS

In completing this work I have been greatly benefitted from many of my well-wishers, friends, institutions and organisations.

At the outset, I express my first and foremost cause of gratitude to Dr. Sarfaraz Akram, Dean, Faculty of Commerce L.N.Mithila University, Darbhanga, who accepted me as his Research Scholar and persuaded me to complete the work in time.

I also thank Dr. M. S. Siddiquie, Reader, Commerce Department, Burhani College of Commerce & Arts Mazagoan Mumbai -10. He not only helped me in selecting the topic, but every phase of the present study bear his keen interest, enthusiastic support, invaluable advises, valuable suggestions and guidance in completing the project. He also helped me in correcting the manuscript and giving it a final shape along with his son Mr. Md. Umair Siddiquie, on his personal computer.

My sincere thanks are due to Mr. Abdul Rasheed, Deputy Secretary, Ministry of commerce, Government of India, who extended his fullest cooperation in collecting data of all the export processing zones.

I shall be failing in duty if I do not thank Dr. Ashok Kundra Director NEPZ, Mr. Bhasin and other staff of NPEZ who made full cooperation in getting relevant data and valuable discussions and guidance in fulfillment information for the research work.

I express my deep sense of gratitude to my principal Prof. I. H. Hawaldar, the K.I.H.E Society, the parent body of Maharashtra College of Science, Arts and Commerce for extending full cooperation in sanctioning my leave for completing this work.

I am also grateful to Dr. Dastageer Alam, Reader, Deptt. of Bussiness Management, Burhani College of Commerce and Arts, Mazagaon Mumbai -10 who advised me at very difficult situations and encouraged me every time.

I acknowledge my debt of gratitude to Dr. Asif Hussain Ph.D. PDF (Japan) at present Pool Officer, Deptt of Bio-medical engineering I.I.T. Powai Mumbai and Prof. Nadeem. Merchant, coordinator Deptt. of Business Studies, A.P College of
Commence & Economics Mumbai, who spared their invaluable time and energy for giving their suggestions and help in getting the manuscript typed and printed.

My colleagues Prof. A. Q. Shaikh, Prof. Ab. Majid Ansari and Prof. Siraj Chougule deserved my sincere thanks for providing me moral support and cooperation throughout the course of research.

Despite all the helps I could not have been in a position to complete this work without financial assistance of U.G.C. I, therefore, record my heartfelt thanks to the U.G.C. its officials and the University of Mumbai for showing all favorable gesture.

My wife has been a constant source of support and encouragement to me in pursuing this work. She has been a source of inspiration throughout the project and encouraged me a lot to face and accept the challenge. She has also suffered the most because of my preoccupation with it.
