Acknowledgement

I take this opportunity to express my gratitude to all those without whom this thesis would have never been completed.

I owe heartfelt gratitude to my Supervisor Professor Esther Syiem for her invaluable guidance and for seeing this project through. I am indebted to Professor Temsula Ao, the Joint Supervisor of my work and my teacher who not only took pains to guide me till she retired from service, but also taught me to smile through my tears.

I thank the Faculty members of the Department of English, N.E.H.U., Shillong and the office staff of the Department, especially Riti and Phyllis who smilingly helped and encouraged me to complete my work.

My gratitude and appreciation go to the I.C.F.A.I. University, Meghalaya for allowing me to complete my work. I would like to especially mention Dr. Alicia Gatphoh, Deputy Registrar, I.C.F.A.I. University, Meghalaya for her unstinted help.

I also thank the Central Library, N.E.H.U., the E.F.L.U. Library, Shillong and the Gauhati University Library for providing me with the necessary help. I would also like to express my gratitude to Mr. D. Dutta of E.F.L.U., Shillong for all the help that he rendered.
A word of thanks to Bah Godfrey Pathaw for formatting and printing of this work.

My gratefulness also goes to my family, to my parents for their prayers and their belief in me and my brother Pranab Bora for all his support. I owe a debt of gratitude to my greatest critic and my pillar, my husband Dr. R.N. Bhuyan and my children Dheeman and Ritwick who stood behind me, always inspired and supported me in all possible ways to make this thesis possible.

I would like to thank Dr. G.A. Ghanshyam for all his help and also Dr. Indrajit Bose, for all the help they rendered to make this work see the light of day.

Last, but not the least, I would like to thank my colleagues at I.C.F.A.I. University, Meghalaya, Shillong, Mr. Surajit Sen and Mr. D.K. Bora for all their help and Mr. L.K.W. Kharpuri, Faculty, Department of English N.E.H.U. for lending me his books.
