LIST OF TABLES

Table 1.1  Districts of Meghalaya
Table 1.2  District-wise Literacy Rates in Meghalaya as per Census 2001 & 2011
Table 1.3  Level-wise No. of Schools in Meghalaya
Table 1.4  Management-wise No. of Elementary Schools in Meghalaya
Table 1.5  Management-wise No. of Secondary Schools in Meghalaya
Table 1.6  Management-wise No. of Higher Secondary Schools in Meghalaya
Table 1.7  Management-wise No. of LPS teachers in Meghalaya
Table 1.8  Management-wise No. of UPS teachers in Meghalaya
Table 1.9  Management-wise No. of SS teachers in Meghalaya
Table 1.10  Management-wise No. of HSS teachers in Meghalaya
Table 1.11  District-wise Enrolment by Level of Education
Table 1.12  Pupil Teacher Ratio (PTR) by Level of Education
Table 1.13  Colleges of Teacher Education (CTEs) in Meghalaya
Table 1.14  District Institute of Education and Training (DIETs) in Meghalaya
Table 4.1  District Institutes of Education & Training (DIETs) in Meghalaya and Number of student teachers during 2013-14
Table 4.2  Weightage given to the five alternative responses in the scale to measure the attitude towards Value-Oriented Education
Table 5.1  Frequency Distribution of the Attitudinal Scores of DIET’s student teachers towards Value-Oriented Education
Table 5.2  Consolidated Means, SDs and ‘t’ values of different variables of DIET’s student teachers towards Value-Oriented Education
Table 5.3  Consolidated Means, SDs and ‘F’ values of different variables of DIET’s student teachers towards Value-Oriented Education
Table 5.4  Means, SDs and ‘t’ value of attitudinal scores of DIET’s student teachers towards Value Oriented Education under the ‘Sex’ variable.
Table 5.5  Means, SDs and ‘t’ value of attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Year of Study
Table 5.6  Means, SDs and ‘t’ value of attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of ‘Residence’

Table 5.7  Means, SDs and ‘t’ value of attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the ‘Age’ variable

Table 5.8  Means, SDs and ‘t’ value of attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Family Annual Income

Table 5.9  Means and SDs of attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Religion

Table 5.9(a)  Summary of Analysis of Variance (ANOVA) for the attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Religion

Table 5.10  Means and SDs of attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Size of Family

Table 5.10(a)  Summary of Analysis of Variance (ANOVA) for the attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Size of Family

Table 5.11  Means and SDs of attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Occupation of Father

Table 5.11(a)  Summary of Analysis of Variance (ANOVA) for the attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Occupation of Father

Table 5.12  Means and SDs of attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Occupation of Mother

Table 5.12(a)  Summary of Analysis of Variance (ANOVA) for the attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Occupation of Mother

Table 5.13  Means and SDs of attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Educational Qualification of Father
Table 5.13(a) Summary of Analysis of Variance (ANOVA) for the attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Educational Qualification of Father

Table 5.14 Means and SDs of attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Educational Qualification of Mother

Table 5.14(a) Summary of Analysis of Variance (ANOVA) for the attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the variable of Educational Qualification of Mother
LIST OF FIGURES

Fig. 1.1  Map of Meghalaya

Fig. 5.1  The Frequency Polygon for the distribution of attitudinal scores of DIET’s student teachers towards Value-Oriented Education

Fig. 5.2  Graphical representation showing attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the ‘Sex’ variable

Fig. 5.3  Graphical representation showing attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the ‘Year of Study’ variable

Fig. 5.4  Graphical representation showing attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the ‘Residence’ variable

Fig. 5.5  Graphical representation showing attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the ‘Age’ variable

Fig. 5.6  Graphical representation showing attitudinal scores of DIET’s student teachers towards Value-Oriented Education under the ‘Family Annual Income’ variable
ABBREVIATIONS

@ : Not significant at 0.05 level
* : Significant at 0.05 level
** : Significant at 0.01 level
A : Agree
AE : Adult Education
ANOVA : Analysis of Variance
B.Ed. : Bachelor of Education
CF : Cumulative Frequency
CI : Class Interval
CPF : Cumulative Percentage Frequency
CTE : College of Teacher Education
D : Doubtful
DA : Disagree
D.El.Ed. : Diploma in Elementary Education
DERT : Directorate of Educational Research and Training
df : Degrees of Freedom
DHTE : Directorate of Higher and Technical Education
DIET : District Institute of Education and Training
DSEL : Directorate of School Education and Literacy
DSEO : District School Education Officer
Ed. : Editor
et.al. : All other Authors
f : Frequency
Fig. : Figure
HSS : Higher Secondary School
Ku : Kurtosis
LP : Lower Primary
