Chapter I: Introduction .................................................................................................. 1 – 40

1.1 Introduction ............................................................................................................. 1
  1.1.1 A brief coverage of microcredit ........................................................................ 4
  1.1.2 The evolution of Microfinance and subsidy and sustainability Linkage ...... 6
  1.1.3 An overview of SHG-Bank Linkage Programme ........................................... 12
  1.1.4 Socio-economic profile of Meghalaya ............................................................ 14

1.2 Synopsis of literature review .................................................................................. 19
1.3 Research problem ................................................................................................... 22
1.4 Significance of the study ......................................................................................... 23
1.5 Objectives ............................................................................................................... 24
1.6 Hypotheses ............................................................................................................. 24
1.7 Methodology ........................................................................................................... 25
  1.7.1 Scope and coverage ......................................................................................... 25
  1.7.2 Sources of data ................................................................................................ 25
  1.7.3 Population, Sample and Sample classification ............................................. 26
  1.7.4 Tools of data analyses .................................................................................... 31
  1.7.5 Drawbacks of Data ........................................................................................ 35

1.8 Presentation of the Research work ......................................................................... 37

1.9 References ............................................................................................................. 38
Chapter II: Microfinance and Subsidized Microfinance: Impact of Subsidy on sustainability – A brief review of literature 41 - 77

2.1 Introduction 41
2.2 Proliferation of Microfinance 41
2.3 Subsidized microfinance 50
2.4 Sustainability issues in microfinance 52
2.5 Impact assessment of microfinance 57
2.6 Impact of subsidy on sustainability 62
2.7 Methodological issues related to impact of subsidy on sustainability 65
2.8 References 70

Chapter III: Microfinance in North Eastern States of India with special reference to the state of Meghalaya 78 - 109

3.1 Introduction 78
3.2 Economic development of Meghalaya with NER and India 80
3.3 Progress of Microfinance in India 81
   3.3.1 Progress of Microfinance in NER with Meghalaya 86
3.4 Subsidized Microfinance in North Eastern Region 90
   3.4.1 Prominent models of Microfinance in NER 92
3.5 Subsidized Microfinance in Meghalaya 97
   3.5.1 Prominent models of Microfinance in Meghalaya 99
3.6 References 108

Chapter IV: Financial performance of SHGs in Meghalaya 110 – 135

4.1 Introduction 110
4.2 Financial performance indicators 111
4.3 Business performance of SHGs 113
4.4 Loan performance of SHGs 119
   4.4.1 Loan performance among SHG members 120
   4.4.2 Loan performance with financial institutions 122
4.5 Profitability position of SHG 124
Chapter V: Impact study of Subsidy on sustainability of SHGs: 136 - 159

5.1 Introduction 136
5.2 Sustainability aspect of SHGs 137
5.3 Measurement techniques of Sustainability of SHGs 138
5.4 Self sufficiency ratio as sustainability test 141
5.5 Subsidy impact on sustainability of SHGs through SDI 144
5.6 Defining sustainability indicators and their predictors 149
5.7 Factor Analysis and Regression Analysis 153
5.8 The Model 153
      5.8.1 The Regression Result of SHGs 154
5.9 References 157

Chapter VI: Comparative Study 160 - 177

6.1 Introduction 160
6.2 Performances of SHGs 162
6.3 Comparative business performance of SHGs 162
6.4 Comparative performance of loan business among SHG members 165
      6.4.1. Comparative performance of loan business with linked banks 167
6.5 Comparative performance of Profitability Ratios 169
6.6 Comparative performance of Sustainability Ratios 170
6.7 Annexure 173

Chapter VII: Conclusion 178 - 189

7.1 A brief overview 178
7.2 Summary and findings 179
7.3 Conclusion and Suggestions 187

Bibliography: 190 - 202

Bio-Data: 203
