2. Lack of Education has been due to our historical subjugation.

Agree 1 2 3
Disagree

3. Lack of education has been on account of institutional racism, especially in our Tribe.

Agree 1 2 3
Disagree

4. Lack of education has helped us to maintain our tribalism.

Agree 1 2 3
Disagree

5. Lack of education has kept us:
   a) Socially backward

Agree 1 2 3
Disagree

b) Economically backward

Agree 1 2 3
Disagree

c) Politically backward

Agree 1 2 3
Disagree

6. Lack of education takes us away from the mainstream society of technological development.

Agree 1 2 3
Disagree
7. The present system of education meets all our needs.

Agree 1, 2, 3  Disagree

8. Primary education should be through the mother tongue of the child.

Agree 1, 2, 3  Disagree

9. English should be the medium of instructions in schools.

Agree 1, 2, 3  Disagree

10. There will be no benefit of introducing native language in schools.

Agree 1, 2, 3  Disagree

11. It is necessary to build a component of local language and culture in the school curriculum.

Agree 1, 2, 3  Disagree

12. We would like to have complete control on at least our primary education.

Agree 1, 2, 3  Disagree

13. It will not be difficult for the natives (the tribals) to find funds for administering primary education to children.

Agree 1, 2, 3  Disagree
14. University education and professional education should be controlled by the government.

Agree 1 2 3 Disagree

15. It will be better if the local bodies run the higher education.

Agree 1 2 3 Disagree

16. We are capable of providing funds for higher education.

Agree 1 2 3 Disagree

17. We (the Natives/the Tribals) do not pay attention to education because most of our energy is spent on in providing basic needs to our families.

Agree 1 2 3 Disagree

18. The Federal (Central) or provincial government's attitude has been helpful in introducing useful programmes in education to us (natives/tribals).

Agree 1 2 3 Disagree

19. Educational programmes have helped us to take active part in a large number of:

a) Social issues

Agree 1 2 3 Disagree

b) Political issues

Agree 1 2 3 Disagree
c) Administrative issues

20. Educational awareness has come to use during the last 20 years.

Agree 1 2 3  Disagree

21. Adult Education programme has been welcome to our elders.

Agree 1 2 3  Disagree

22. Adult Education programmes have failed because of ignorance and orthodoxy prevailing in our tribe.

Agree 1 2 3  Disagree

23. Short-term vocational education for our children is more suited to us and be made part of the curriculum.

Agree 1 2 3  Disagree

24. The Welfare Teacher positions introduced in Alberta (Canada) have been found useful by the natives. The scheme has helped them to eradicate bad habits of alcoholism/gambling etc.

Agree 1 2 3  Disagree
