ACKNOWLEDGEMENT

It is my proud privilege to express my deep sense of gratitude to Dr. Ganesh Prasad, Reader, Department of Agricultural Botany, Shri Durga Ji Post Graduate College, Chandeswar, Azamgarh, U.P. for his invaluable advice, talented guidance, constant encouragement, constructive criticism and painstaking efforts.

My sincere and grateful thanks are due to Dr. D. P. Dwivedi, Principal, S.D.J.P.G. College, Chandeswar, Azamgarh, U.P. for providing all the necessary facilities for conducting this research work and for encouraging me during the studies.

I am highly thankful to Dr. R. A. Sharma, Reader & Head, Department of Agricultural Botany, Dr. D. D. Pandey, Dr. S. S. Lal, Dr. R. P. Tripathi and Mrs. Pragya Parmita (Department of Agricultural Botany) and Dr. H. P. Sharma (Department of Agronomy) for their encouragement during my research work.

I owe an immeasurable debt to Dr. J. R. Yadav, Associate Professor, Department of Vegetable Science, C.S.Azad University of Agriculture and Technology, Kalyanpur, Kanpur for proving the seeds of okra varieties, valuable suggestions, advice, timely help and sympathetic attitude. I am also thankful to Dr. D. N. Singh, Ex. Head, Plant Physiology and Biochemistry, I.I.P.R. Kanpur.

I am indebted to my parents Smt. Kiran Singh and Dr. I. S. Singh (Retd. Prof. B.H.U.), Dr. Smt. Savitri Singh and Shri P. R. S. Gautam (Retd. Engr.), Dr. Smt. Sharada Singh (Principal) and Dr. R.P. Singh (Retd. Reader and Head, Agricultural Botany), and all other family members for their constant affection, inspiration and encouragement. I am extremely thankful to my husband, Dr. Avinash Singh (Prof. I. I. T. Kanpur) for his invaluable suggestions and help and a hearty thanks to my daughters, Shreya and Ardra, who helped me throughout this work. I also wish to extend my special thanks to my friends Dr. (Mrs.) P. Raghuram and Mrs. Vibha Tripathi for their encouragement and help.
