ACKNOWLEDGEMENT

I express my deep sense of gratitude and indebtedness to Dr. Gaurab Gangopadhyay, Associate Professor, Division of Plant Biology, Bose Institute, for his valuable guidance, constant encouragement and constructive suggestions during the course of my research work. In fact, I was fortunate to have him as my PhD supervisor.

With the deep sense of pride and dignity, I sincerely thank Director, Bose Institute for giving me an opportunity to work here. I am also thankful to the Head and all the faculty members of Division of Plant Biology, Bose Institute for their encouragement. I am also thankful to other faculty members of Bose Institute including Prof. Barun Chatterjee and Prof. Kalipada Das. I immensely thank Prof. Kalyan K. Mukherjee for his invaluable suggestions and encouragement throughout my research work.

I express my sincere thanks to Prof. Rabin Majumdar and Prof. Mahua Ghosh, Oil Chemical Technology Laboratory, Science College, University of Calcutta for their kind help and suggestion for a part of my research work. The team members at Oil Chemical Technology Laboratory, Dr. Surashree Sen, Dr. Sanjukta Datta, Ms. Isita Nandi and Ms. Moumita Pal need a special mention as it would not have been possible without their kind cooperation and encouragement.

I am also thankful to Mr. Ashis Bera and Mr. Siddhartha Ray for the exceptional help they rendered during the course of investigation. The assistance and cooperation of Mr. Bipul Nag, Mr. Sanjay Mondal and other staff members of the Division of Plant Biology and Bose Institute is sincerely accredited. A special thanks to Mr. Jadab Ghosh, Mrs. Kaberi Ghosh, Mr. S. Maikap, Mr. Pradeep and Mr. Pallab (JU) for their technical assistance and kind cooperation during my work.

On a personal note, I am bound to express my heartfelt gratitude and thanks to my lab mates Vivek Arora and Marufa Sultana, I take special pleasure in thanking my fellow friends Tathagata Nath, Niti Yashwardhini, Dr. Saurav Bhattacharya, Dr. Basabdatta Das, Bipasha Roy, Debarati Dey, Bodhisattwa Saha, Gaurab Sircar and others for their everlasting exemplary enthusiasm shown and constant encouragement rendered
throughout my study period. My fellow inmates at BIRSH need a special mention for their support and encouragement during my lean days.

I found no suitable words to propose my heartfelt thanks to my friends Kirti, Sudipta, Payel, Sayani, Anju, Manish, Vivek, Moon Moon, Vinita, Shruthi, Nagbhushan, Pooja, Shoubhik, Shrabani, Sumana, Arindam and Suchismita for their constant encouragement.

I wish to record respectful gratitude and indebtedness to my loving parents, brother and my other family members for their blessings and inspiration.

The financial aid from Indian Council of Medical Research in form of research fellowship is also acknowledged.

Any omission in this brief acknowledgement does not mean lack of gratitude.
