Acknowledgments

I express my sincere thanks to my supervisor Prof. Malay Kumar Kundu who introduced me to the world of images, visions and patterns. With a deep sense of gratitude, I remain obliged for his unconditional support and guidance during the course of my research works. I greatly acknowledge his valuable conceptual suggestions during the research works. Prof. Kundu gave me the freedom to explore a variety of topics. Whenever I struggled, his generous support always came at just the right time. It is my privilege to work under the supervision of a person like him of profound knowledge and humble personality.

I want to thank the professors of the Machine Intelligence Unit – Prof. S. K. Pal, Prof. S. Mitra and Prof. A. Ghosh for their constructive suggestions and comments. Also my thanks go to Dr. D. P. Mandal, Prof. R. K. De, Dr. S. N. Biswas, Prof. S. Bandopadhyay, Dr. B. U. Shankar and Dr. K. Ghosh. I am also thankful to Prof. C. A. Murthy and Dr. P. Maji for helping me in my research work by providing fruitful academic suggestions.

I would never forget the company I had from my fellow researchers M. Chowdhury, Dr. B. N. Subudhi, K. R. Murthy, Dr. R. Das, Dr. M. Das, T. Basu, P. P. Kundu, A. Mondal, A. Gorai, R. Roy, A. Banerjee, C. Parmer, A. Bakshi, J. Modal, D. Karmakar and friends. Special note of thanks goes to late Mr. J. Gupta, Mr. B. Sharma, Mr. I. Dutta, Dr. S. Choudhury, Mrs. M. De, Mr. S. Das, Mrs. N. Das, Mr. S. Das, Mr. B. Porel, Mr. S. R. Pyne and Mr. J. K. Kahal for providing me all kinds of facility whenever needed. My vote of thanks goes to the Machine Intelligence Unit, Indian Statistical Institute, Kolkata-108 for providing all facilities to perform the research works. I am also grateful to the members of the Ph.D. committee of the Department of Computer Science and Engineering, University of Calcutta. Special thanks goes to Dr. P. K. Das (MD) for subjectively evaluating the effectiveness of the solutions reported in this thesis (from a medical expert perspective) and providing useful suggestions.

I thank my parents and all elders in my family, who taught me the values of hard work and patience. I am also grateful to my wife and in-laws who provided continuous family support and valuable personal advices during my research period. I would like to share this moment of happiness with my twin daughters Debangshi and Ditipriya and all my family members and well-wishers.
