

ACKNOWLEDGEMENT

I take this opportunity to express my deep, profound and sincere gratitude to my Research Supervisors, Prof. M. K. Maharana and Prof. C.K.Panigrahi for their constant encouragement, fruitful and excellent guidance during the entire period of this research work.

I thank Prof. Abhijit Dasgupta and Prof. P.C.Panda, Prof. S. M. Ali, Prof B. K. Nayak, Prof S. C. Swain and Prof. S. K. S. Parasar for their constant support and encouragement during entire period of research.

Again, it is my pleasure to thank all faculty members and staff of School of Electrical Engineering for their cooperation and help during my visit and stay at KIIT premises.

I would like to thank the Management, Seemanta Engineering College, Jharpokharia for allowing me for doctoral work.

I am also thankful to the authorities of KIIT University, Bhubaneswar for providing the necessary facilities and an excellent research environment to carry out my research.

I thank my friends. M.Tech Scholars and colleagues, for their suggestion during research work. I also would like to express my thanks to all others who have helped me directly and indirectly during the entire period of my work.

Finally, I thank my beloved parents having stood behind me giving constant encouragement and creative support every time. Of course, my wife, son and other family members played a very vital role throughout the endeavour. They always managed to cheer me up, had an open ear for all my worries and were just there for me when I needed them.

Mrutyunjay Das
