ACKNOWLEDGEMENT

I am deeply indebted to my supervisor Prof. M. H. Qureshi, CSRD, SSS, JNU, New Delhi for his incisive guidance and valuable suggestions throughout the study. I am also very much grateful to him for putting his interest in this research work through and giving me time out of his extremely busy schedule. I also express my sense of gratitude to Dr. R.K. Sharma for keeping my topic and me always in mind. I am equally thankful to Prof. Kushum Chopra, Prof. M.K. Premi, Prof. G.K. Chadha, Prof. A. Mahmood, Prof. K. Shivaswami, Prof. A.H. Kidwai, Prof. A. Mathur, Prof. A. Kundu and Prof. S.K. Chandra for their affection and encouragement throughout these long years of research. I am also thankful to Prof. S. Nangia, Chairperson, CSRD for helping me in every aspect.

I am indebted to UGC for providing me JRF in the beginning of the research and Arunachal University for appointing me as Lecturer while still at work for this research work. My special gratitude goes to the Ministry of Agriculture and ICAR for providing me valuable study materials and second hand data base. The other organisations whom I owe special thanks are CAZRI, Jodhpur, IGFRI, Jhansi for their special help. I will always remember with fun and love Mr. Panwar of Jodhpur, Dr. Vohra of Barmer, Dr. Lokesh Bhat of Alwar, Mr. S.S. Sethi, IAS, Mr. Giri of Simulia, Mr. N. Panda of Chhatrapada, the weavers of Boud and Mr. Harihar Naik of Daringbadi for their help to me in the field survey. I am very thankful to Mr. Satyendra Kumar, Mr. K. Varghese, and Mr. Narendra Kumar for their pain
staking involvement in data analysis, computer cartography and typing respectively. My fund remembrance of Rajaniji, Prem Sagarji and Ashokji in the office of CSRD will always remain intact with this thesis.

I would like to thank Mr. Chinmay Nath, Dr. Ramashray Singh and Dr. Sucharita Sen and Shri Gunanidhi Parida for their help in photography, computer-works respectively.

I would like to express my sincere thanks to Dr. Bhagaban Swain, Manoj Dash, Debendra Panigrahi, Satish Mohan Mr. Parichha, Govind Regmi and Jatinder Sing Bedi for their association-ship with me during the course of this research.

I take pride in mentioning the names of Panda Baboo Kanhu Baboo, Jayadev Baboo, Dr. (Mrs.) Sanjukta, Panigrahi Baboo and Acharya Baboo for pushing me all along for finishing this long research work.

I owe my gratitude to Dr. R.S. Yadav for his ever sincere concern for my getting the Ph.D. degree.

I am indebted to my Badabapa and father for their forceful and silent motivation for achieving this formal goal.

I will remember Rosy, Munia and Lulia for feeding me and putting me in comfort during the painful state of this work for writing this thesis.
But for the constant pressure and encouragement from Kaka and Chhua-Ma this work would have suffered from further delay. They owe my special indebtedness. I am also thankful to my brothers and sisters for giving me a sense of purpose for this work.

Finally, my appreciation and thanks go to my wife, Manjula, son, Gugu and daughter, Annee for enduring long dissociation.

New Delhi.
