The following Research owes its shape to my Supervisor, Prof. R.C. Sharma, Political Geography Division, at the Centre for International Politics, Organization and Disarmament Studies of School of International Studies, Jawaharlal Nehru University, New Delhi. I express my earnest and sincere gratitude to him, for his incisive guidance and encouragement at every stage of the study.

I am also grateful to other teachers at the Centre for their positive encouragement and the guidance.

I am grateful to the Staff of the JNU Library for cooperating with me in locating the matter.

I am also thankful to the Staff of United Nations Information Centre, British High Commission, Tata Energy & Research Institute and the American Information Centre for providing to me all kinds of needed information. Their friendly attitude only helped me in completing the task.

I am also indebted to all those who showed interest in the topic and were all too eager to help me in completing it, to all those who translated the work for me from the German & French languages.
My special thanks to Ravi and Manoj for helping me in feeding the matter in the Computer and also for the Graphics prepared through it.

At last but not the least, I convey my Special thanks to all my family members whose encouragement and support led me to complete the task. I heavily indebted to my parents, Maa and Pitaji, Mummy & Daddy for giving this chance to show my calibre. I am especially very very grateful to Maa, as she has been the major inspiration behind all this, she have been one source, which provided me with all this needed energy to proceed and proceed.

And finally, I dedicate this work to my little cute two-year old daughter Shreya and my loving and caring husband Abhimanyu, whose sacrifices have been unlimited and are beyond words that could express.
