ACKNOWLEDGEMENTS

I am extremely Grateful to my research guide and teacher Dr. Tarak Nath Khan, Associate Professor in Zoology of Maulana Azad College for his ever sincere guidance and support in my research work. I pay my tribute to his Excellency as a guide in research and wildlife photography, as a teacher and above all as a person with simple, evergreen and artistic mind.

I am also grateful to Head of the Zoology Department, Prof. Subir Chandra Dasgupta and Dr. Anirban Sinha for their continuous support and encouragement in my research.

Especial thanks are due to UGC for providing me the fellowship and funding for an important part of this work.

Many thanks are also due to the colleagues of Ecology and Wildlife Biology laboratory, Zoology Department, Maulana Azad College, for their active cooperation both in the field and laboratory works unless which I could not be able to complete this work.

The cooperation of the local people around the study sites is also gratefully acknowledged.

Dedicated to late Dr. Srikumar Chatterjee, the renowned ornithologist
– For his guidance & to develop my keen interest in the field of Life Science.
