ACKNOWLEDGEMENTS

It is my privilege to express my deep sense of gratitude to my guide Dr. Vinod Bhakuni for his constant support, encouragement, immensely valuable ideas, suggestions and for having an unwavering perseverance. During my association with him for around three years, he has always supported me both at personal and professional fronts. My association with him also taught me to appreciate the value of patience, sustained tolerance and above all humility in the development of healthy scientific environment and temperament. His fatherly advices and helpful comments and compliments make me feel comfortable and proud.

I attribute my sincere thanks to Dr. C. M. Gupta, Director, CDRJ for providing me the necessary facility and support throughout the period.

I express my humble reverence to Dr. Vidhya Rangaswami for introducing me to science and lab. Her valuable suggestions and guidance have helped me in learning basics of molecular biology.

I would like to thank Dr. Subramanya, Dr. Saman, Dr. Maulik, Dr. Jimut, Dr. Ritu, Dr. Ashish, Dr. Amit, Dr. Madhusudanan, Dr. Tuli and Dr. Ravishankar for their uniting support and suggestions.

I wish to extend my thanks to off station scientists Dr. H. S. Savithri and Dr. N. Appaji Rao for their suggestions and generous help. I would like to thank Bhavani and other members from Dr. Savithri’s lab who helped me a lot in my experiments and also gave me a very charming atmosphere in lab during my stay.

I am thankful to my seniors Sohaill sir and Sandeep Srivastava for teaching me the basics of various techniques and for insightful discussions on or off the subject.

I heartily acknowledge my seniors Subba, Amit, Amogh, Prakash, Sivaram, Neerja, Divya, Amrita, Ashok, Sushma, for their valuable suggestions. I am highly indebted and thankful to my labmates Anant, Sandeep, Parul, Priyanka and Kulyawan for maintaining a healthy environment in lab. Sharda, Ambrish, Ramesh, Raza, Neeta, Naresh, Richa, Raghun, Akshel, Ashuosh, Pawan, Awadh, Ritu and all other fellows of MSB deserve special thanks and acknowledgement for their cooperation and always keeping a cordial and enjoyable environment. I am thankful to my friends Ashwani, Monika, Sunita, Romska, Ankita, Gautam and all my JNV and M.Sc. batchmates for giving a wonderful company and extending their unconditional help whenever required.

I wish to extend thanks for the bottom of the heart to Sandeep and Satya for helping me both professionally and personally during my stay at CDRJ. They are friends’ in need and friends indeed. Thanks to Divya and Antima for being a great company in the hostel.

My sincere appreciation goes to all the CDRJ faculty members, staff and library who were always helpful when approached. Thanks to technical staff of MSB and RSIC for helping me in using various instruments to complete my experiments.

Daily lab core helps from Deepakji and Brijeshore are also acknowledged.

There are no words to pay gratitude to my daddy who is not here to see my achievements but it is only his strong determination to introduce me in higher studies today brought me here. I am sure wherever he is; he would be feeling happy and proud to see all this.

Words cannot suffice my gratitude to mummy for her constant encouragement and support. She has helped me in maintaining steady progress at work and also helped me to cope up with the work pressure.

I acknowledge with love and regards, my bhaiya and especially my bhabhi who gave me tremendous moral support and the right advice, which gave me constant courage to pass through all ordeals of life. Their parenthood care and love never allowed me to feel alone. No words to thank Didi-JiJaji for their love and moral support. Thanks to Virji and Sukhada for not only being my bhaiya and bhabhi but also very close friends and supporting me at every step. Anushini bears a special mention for always keeping me charming and happy whenever I talked to her after a hectic schedule of lab. All my love for Sumedhji and Swasti.

A word of appreciation about Alok who although joined me in last stages of Ph.D. but his valuable suggestions are really helpful for me to complete this work. His words of encouragement have been a great motivator for me. His family members also bear a special mention for their help, sensitivity and good support for the completion of my work.

The financial support in terms of fellowship provided by CSIR is gratefully acknowledged.

Last but not the least I thank almighty GOD for His help and blessings and keeping me in good sense all the time.
